

hubspot- 28-12-2025

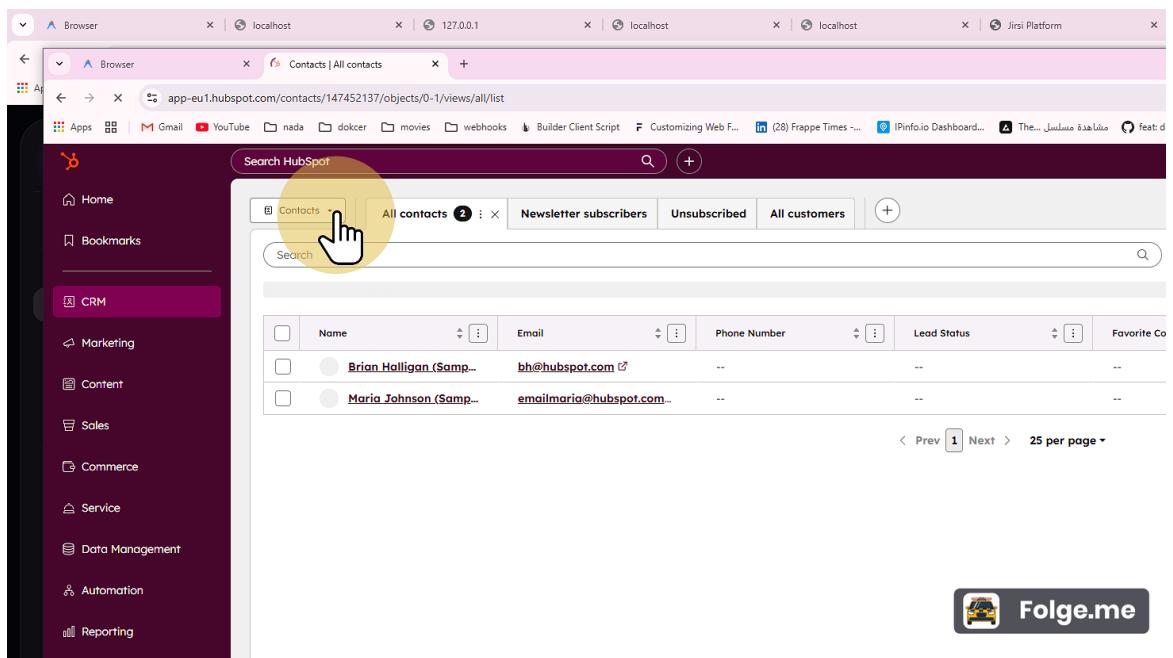

1 Click "pane"

A screenshot of a web browser window with multiple tabs open. The active tab shows a HubSpot contact list titled 'All contacts'. The search bar at the top has a yellow circle with a hand cursor icon overlaid on it. The contact list table includes columns for Name, Email, Phone Number, Lead Status, and Favorite Content Topics. Two contacts are listed: Brian Halligan and Maria Johnson.

	Name	Email	Phone Number	Lead Status	Favorite Content Topics
<input type="checkbox"/>	Brian Halligan (Samp...)	bh@hubspot.com	--	--	--
<input type="checkbox"/>	Maria Johnson (Samp...)	emailmaria@hubspot.com...	--	--	--

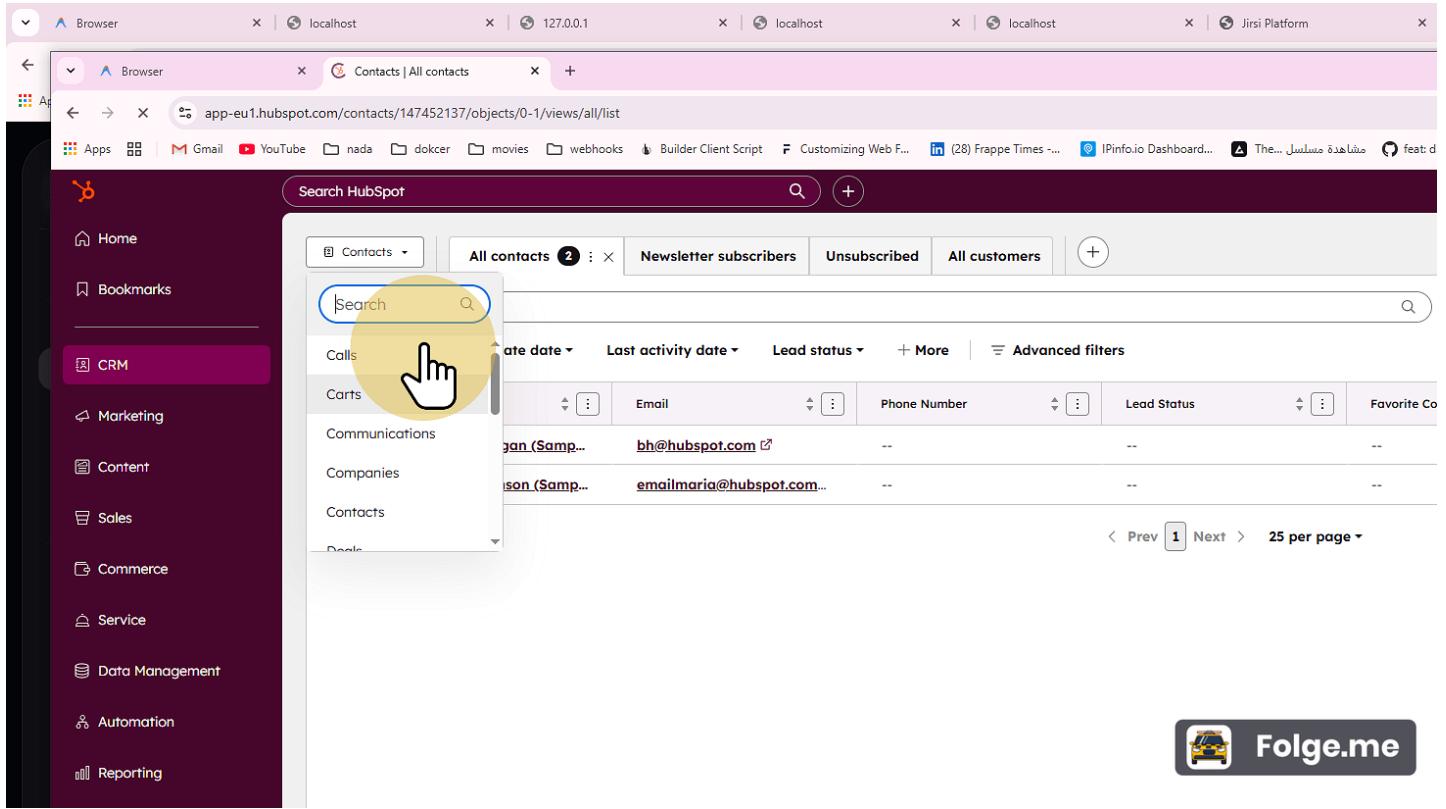

2 Click "pane"

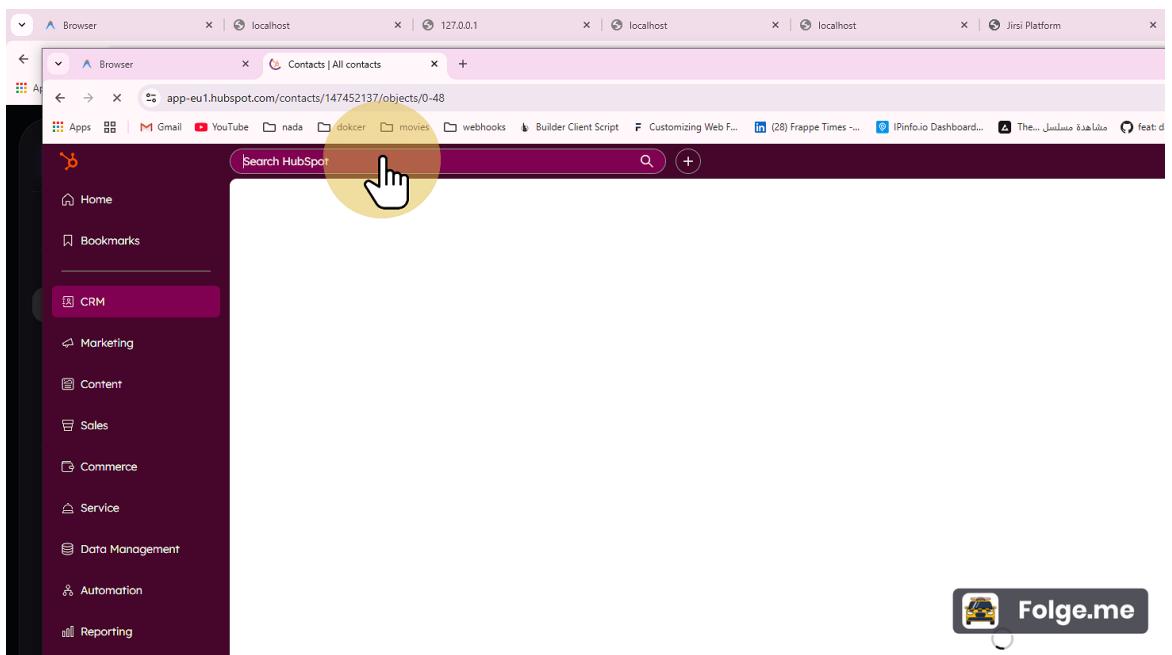

A screenshot of a web browser window with multiple tabs open. The sidebar on the left is expanded, showing various categories like Home, Bookmarks, CRM (which is highlighted), Marketing, Content, Sales, Commerce, Service, Data Management, Automation, and Reporting. The main content area shows a HubSpot contact list titled 'All contacts'. The search bar at the top has a yellow circle with a hand cursor icon overlaid on the 'CRM' menu item. The contact list table is identical to the one in the first screenshot.

	Name	Email	Phone Number	Lead Status	Favorite Content Topics
<input type="checkbox"/>	Brian Halligan (Samp...)	bh@hubspot.com	--	--	--
<input type="checkbox"/>	Maria Johnson (Samp...)	emailmaria@hubspot.com...	--	--	--

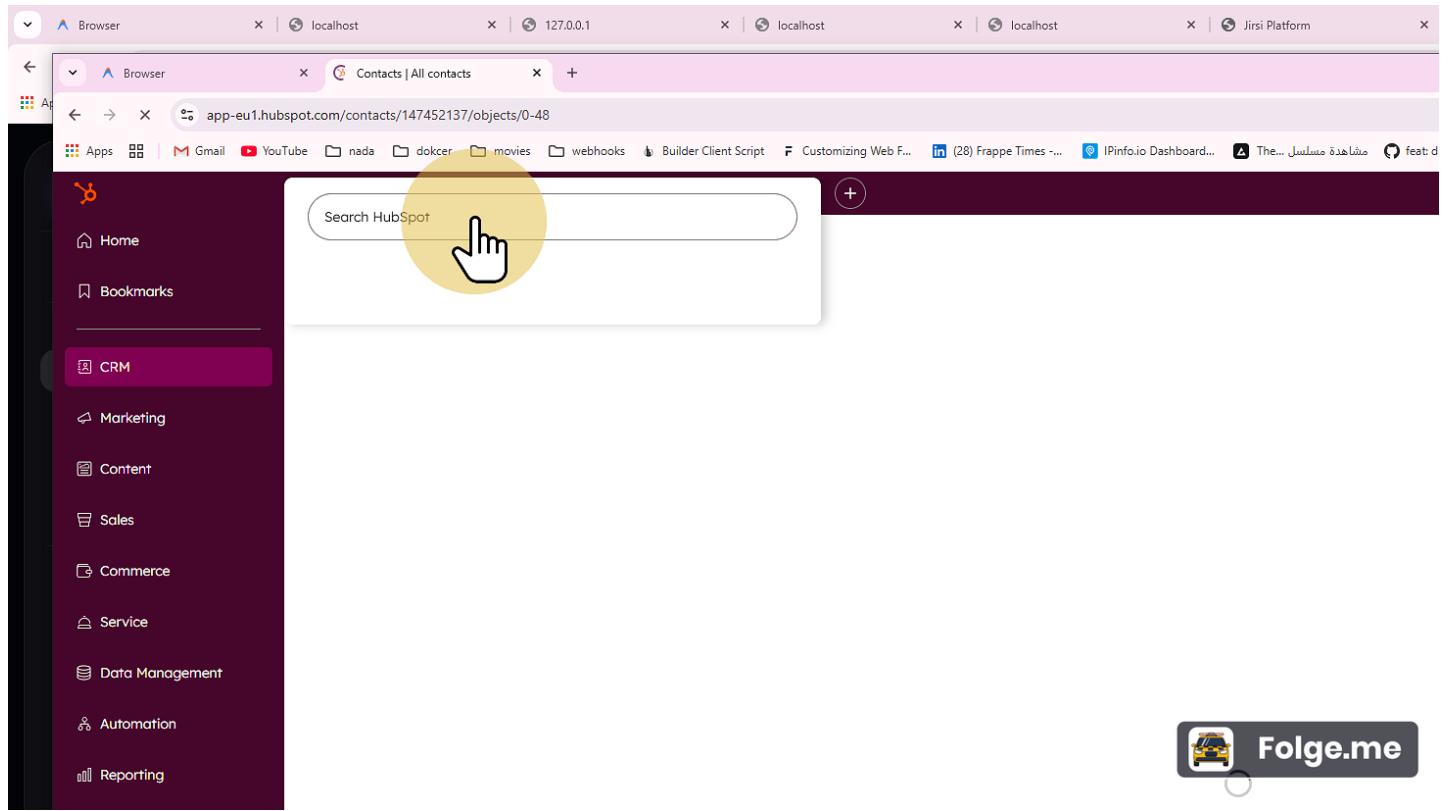

3 Click "Contact owner"

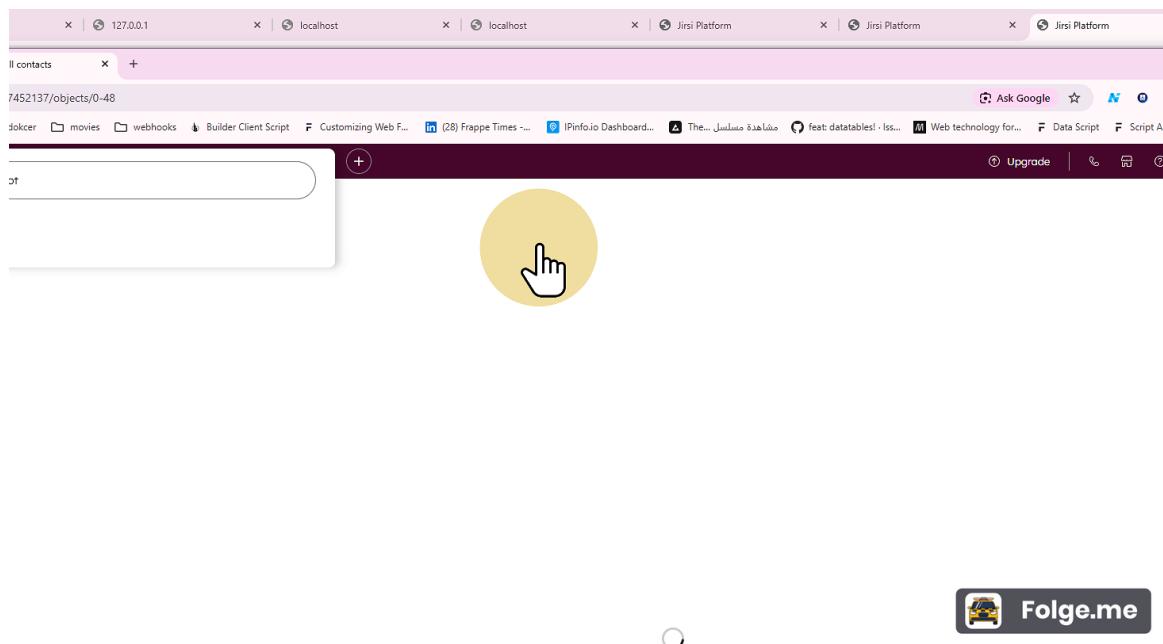

4 Click "Search HubSpot"

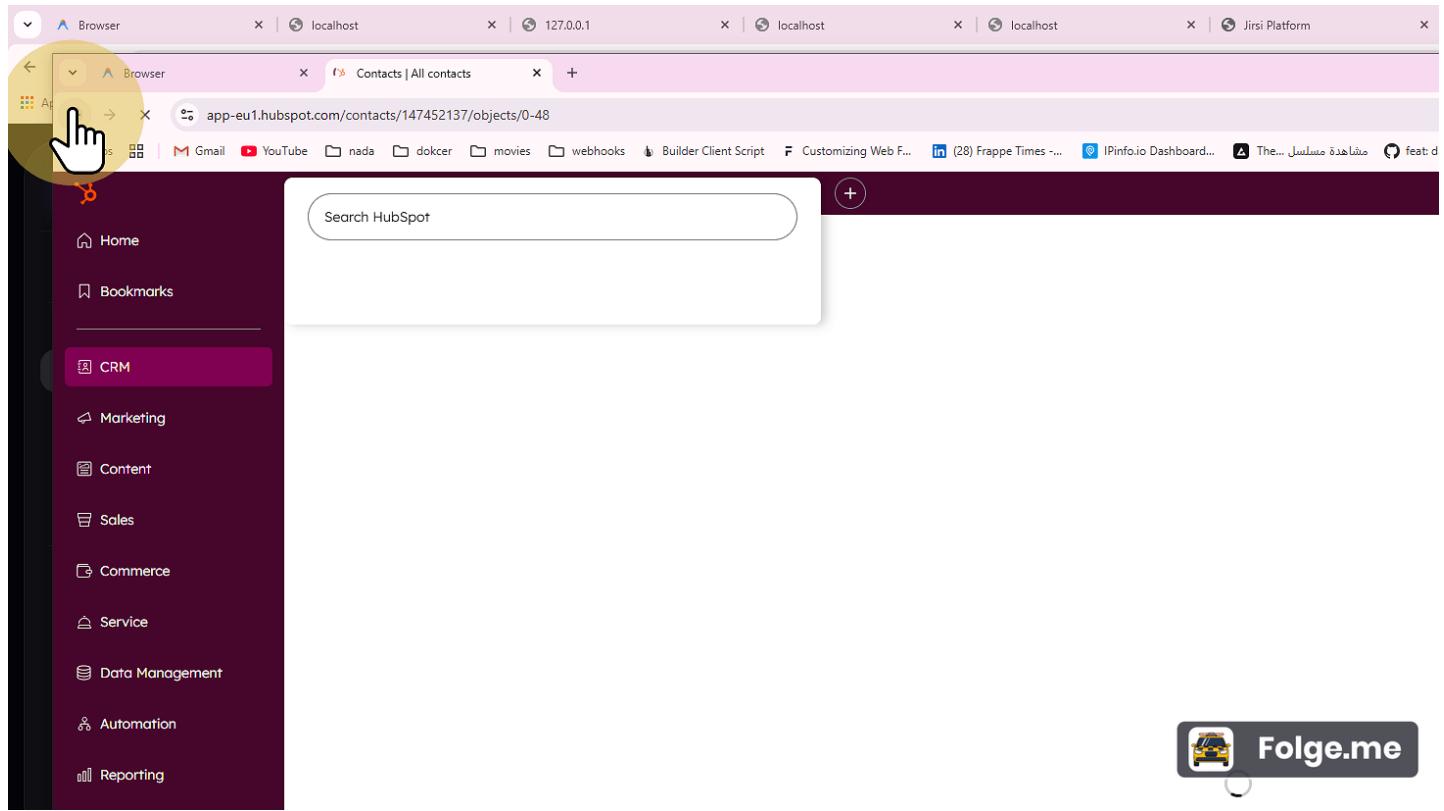

5 Click "global-search-iframe"

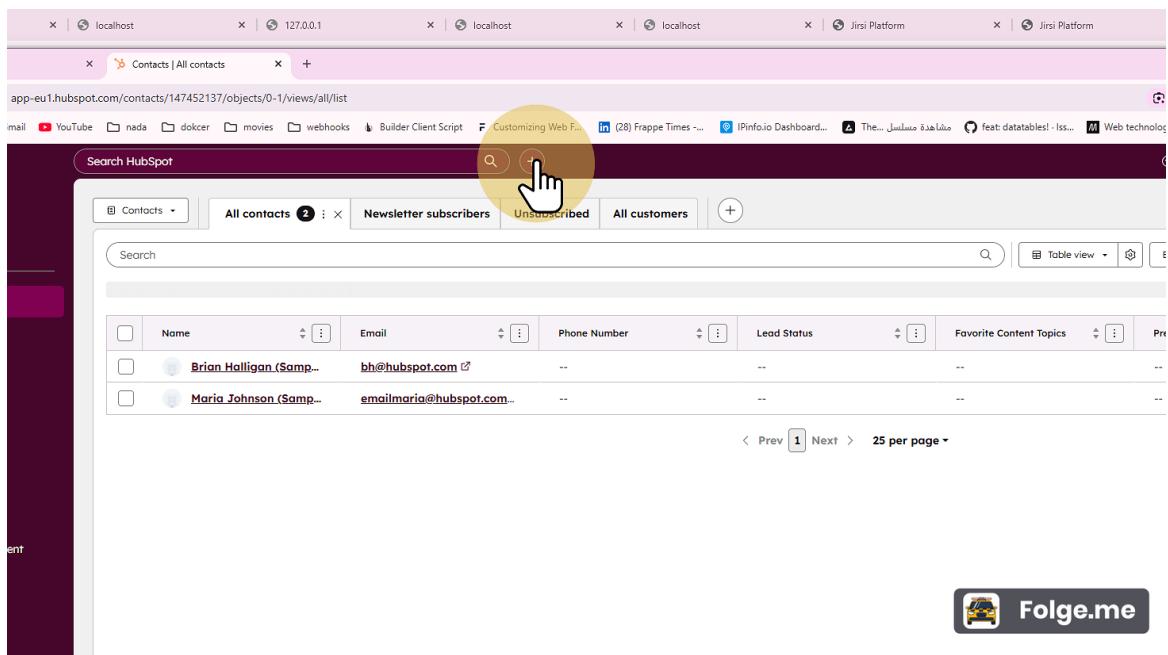

6 Click "statusbar"

7 Click "Back"

8 Click "Create new"

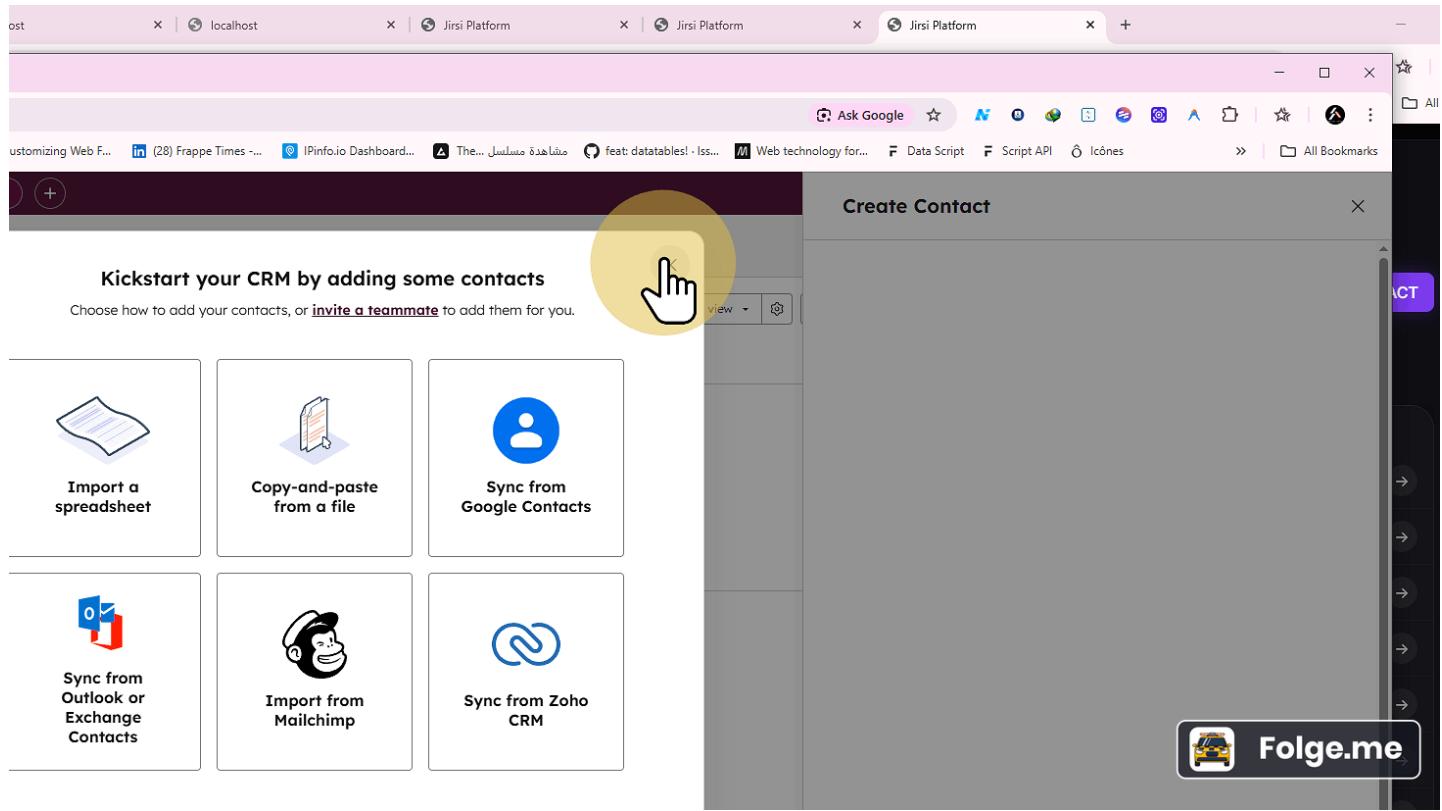

9 Click "Unsubscribed"

The screenshot shows the HubSpot Contacts list interface. At the top, there are five browser tabs labeled 'localhost', '127.0.0.1', 'localhost', 'localhost', and 'Jiri Platform'. Below the tabs, the URL is 'app-eu1.hubspot.com/contacts/147452137/objects/0-1/views/all/list'. The main header says 'Contacts | All contacts'. The filter bar shows 'All contacts 2' and 'Newsletter subscribers'. The search bar contains 'Search'. To the right of the search bar are 'Table view' and 'Edit filters' buttons. The main table lists two contacts: 'Brian Halligan (Samp...' with email 'bh@hubspot.com' and 'Maria Johnson (Samp...' with email 'emailmaria@hubspot.com...'. The table includes columns for Name, Email, Phone Number, Lead Status, and Favorite Content Topics. At the bottom, there are navigation buttons for 'Prev', '1', 'Next', and '25 per page'.

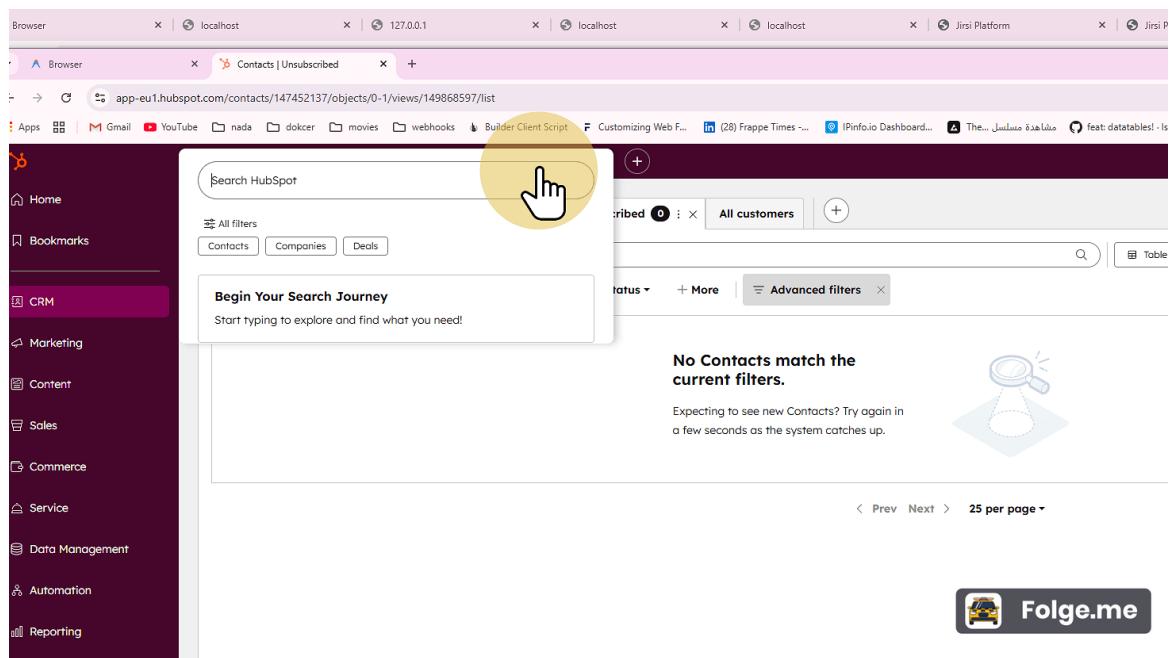

10 Click "Unsubscribed"

This screenshot is identical to the one above, showing the HubSpot Contacts list interface with the 'Newsletter subscribers' filter applied. The yellow circle and hand cursor are positioned over the 'Unsubscribed' button in the top navigation bar.

11 Click "group"

12 Click "group"

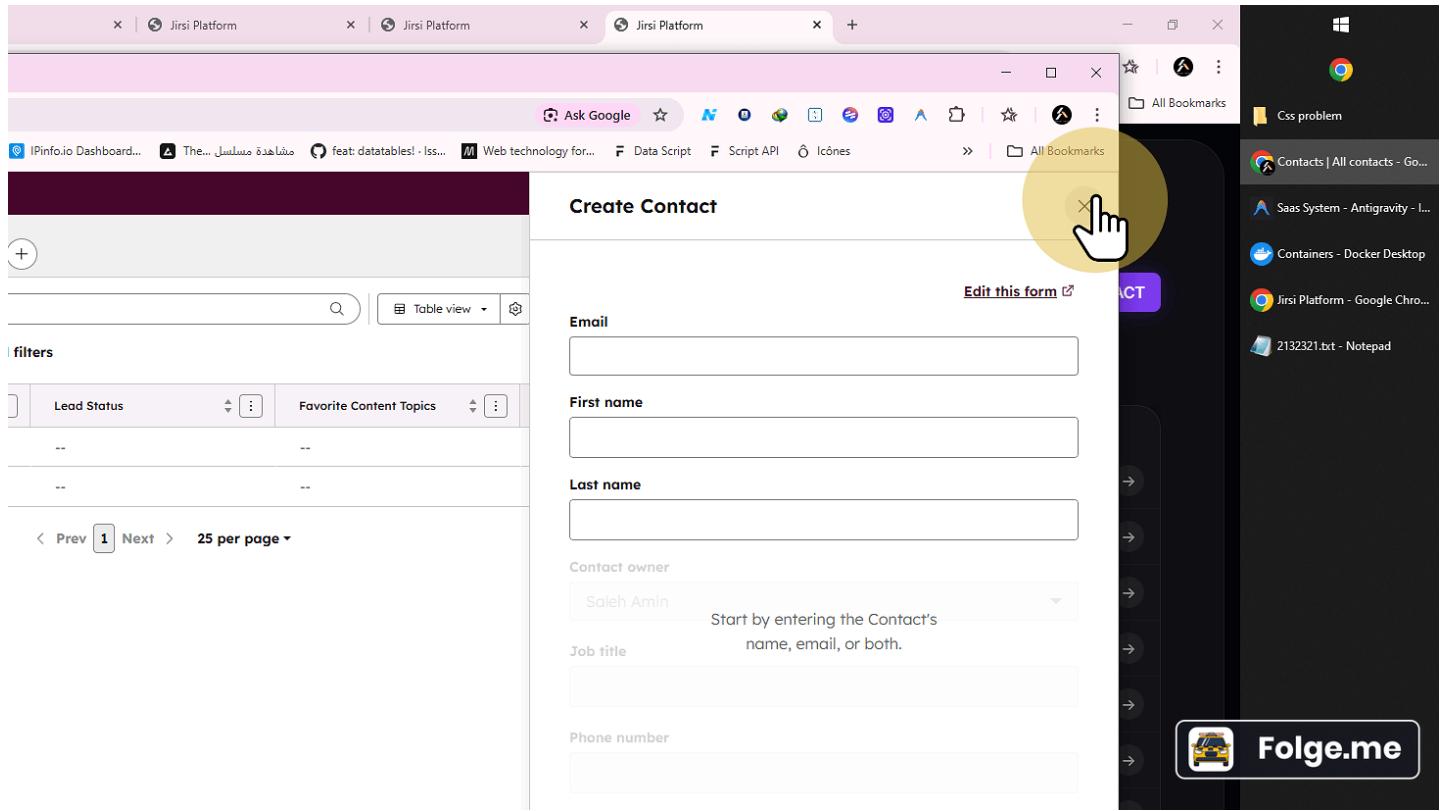

13 Click "group"

The screenshot shows a browser window with multiple tabs open. The active tab is a HubSpot contacts list. The top navigation bar includes buttons for 'All contacts', 'Newsletter subscribers', 'Unsubscribed', and 'All customers'. A yellow circle and a hand cursor are positioned over the 'All contacts' button. To the right of the main content area, there is a sidebar titled 'Create Contact' with fields for 'Email', 'First name', 'Last name', 'Contact owner' (set to 'Saleh Amin'), and 'Job title'. At the bottom right of the page is a 'Folge.me' logo.

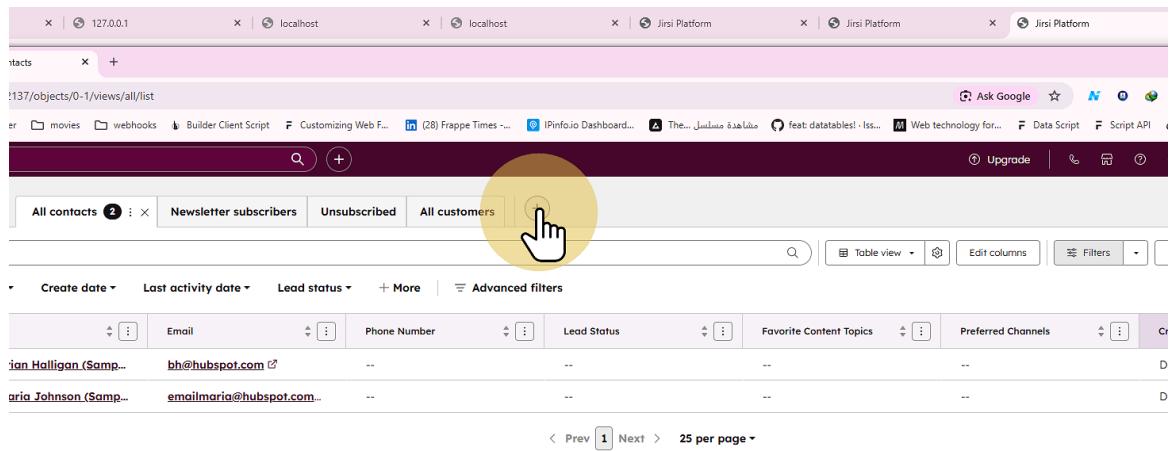

14 Click "group"

This screenshot is similar to the one above, showing a HubSpot contacts list. The 'All contacts' button in the top navigation bar is highlighted with a yellow circle and a hand cursor. The sidebar on the left is fully visible, displaying the CRM module as the active one. The rest of the interface, including the search bar, filter options, and 'No Contacts match the current filters' message, is identical to the previous screenshot.

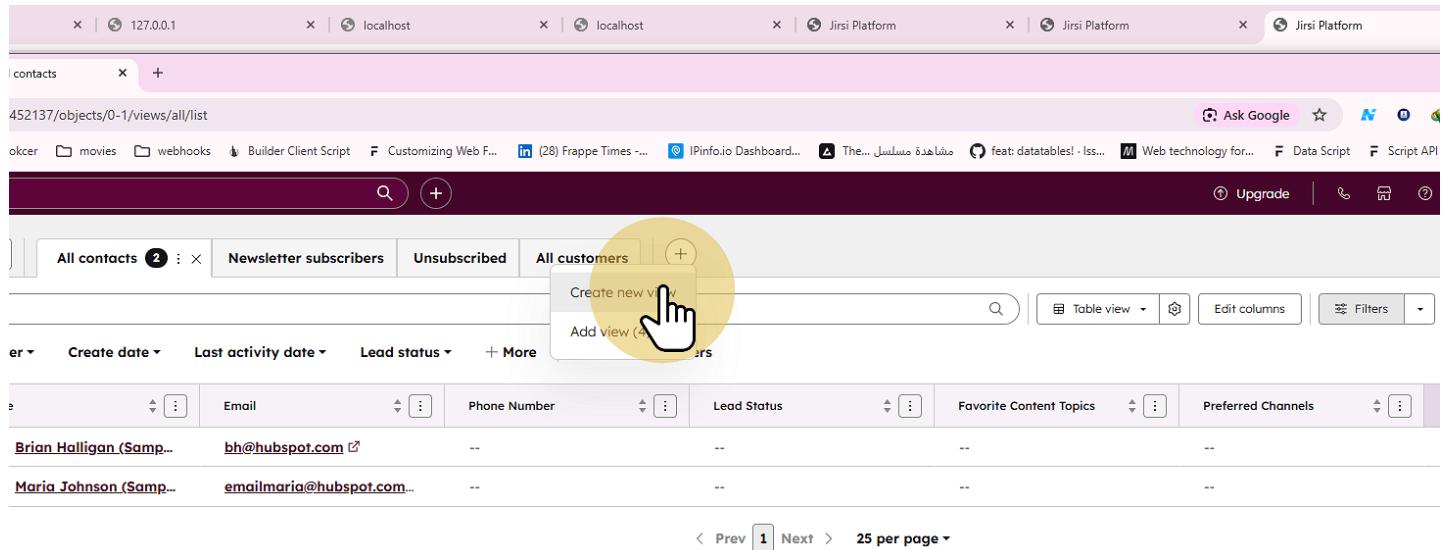

15 Click "View profile and more"

16 Click "Create or add existing view"

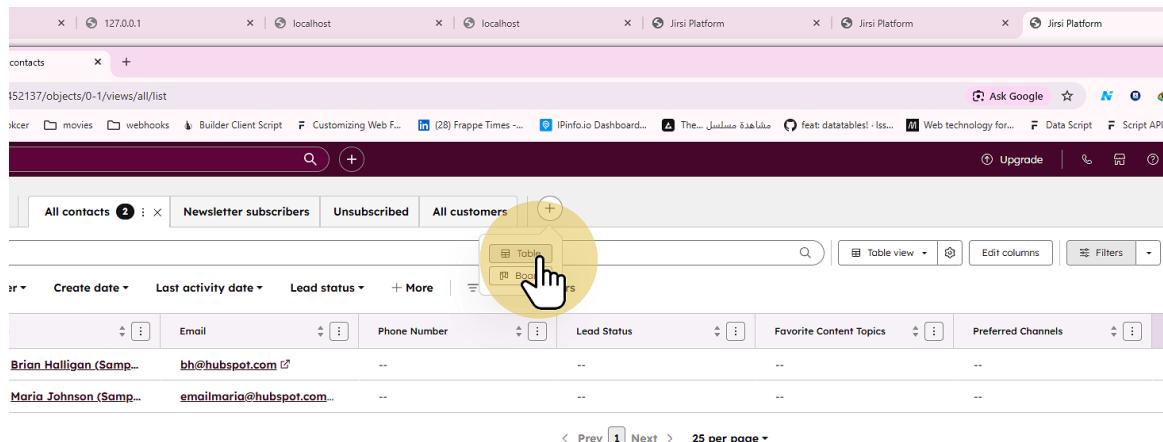

17 Click "group"

A screenshot of a web browser displaying a contacts list. The URL is 452137/objects/0-1/views/all/list. The page shows a table with columns: Email, Phone Number, Lead Status, Favorite Content Topics, and Preferred Channels. At the top, there are navigation tabs: All contacts (2), Newsletter subscribers, Unsubscribed, and All customers. Below the tabs is a search bar with a magnifying glass icon and a plus sign. A yellow circle highlights the 'Create new view' button, which has a hand cursor icon pointing at it. Other buttons visible include 'Add view (4)' and 'Edit columns'. The bottom of the screen shows pagination controls: < Prev [1] Next > 25 per page.

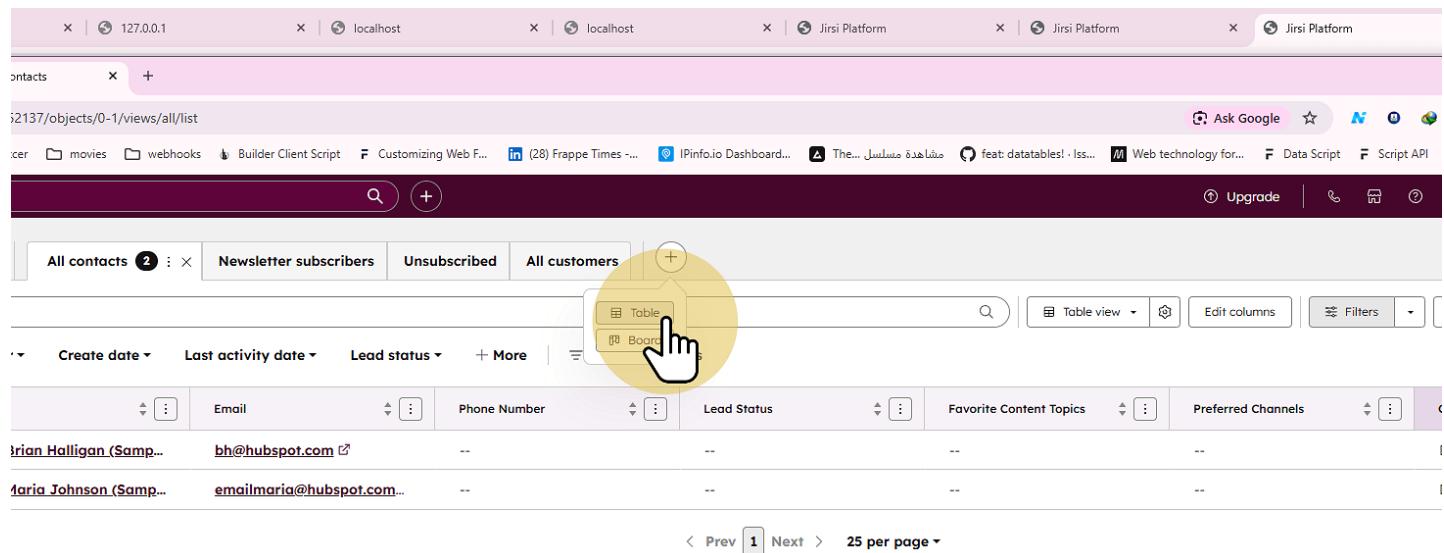

18 Click "Search"

A screenshot of a web browser displaying a contacts list. The URL is 452137/objects/0-1/views/all/list. The page shows a table with columns: Email, Phone Number, Lead Status, Favorite Content Topics, and Preferred Channels. At the top, there are navigation tabs: All contacts (2), Newsletter subscribers, Unsubscribed, and All customers. Below the tabs is a search bar with a magnifying glass icon and a plus sign. A yellow circle highlights the 'Table view' button, which has a hand cursor icon pointing at it. Other buttons visible include 'Edit columns' and 'Filters'. The bottom of the screen shows pagination controls: < Prev [1] Next > 25 per page.

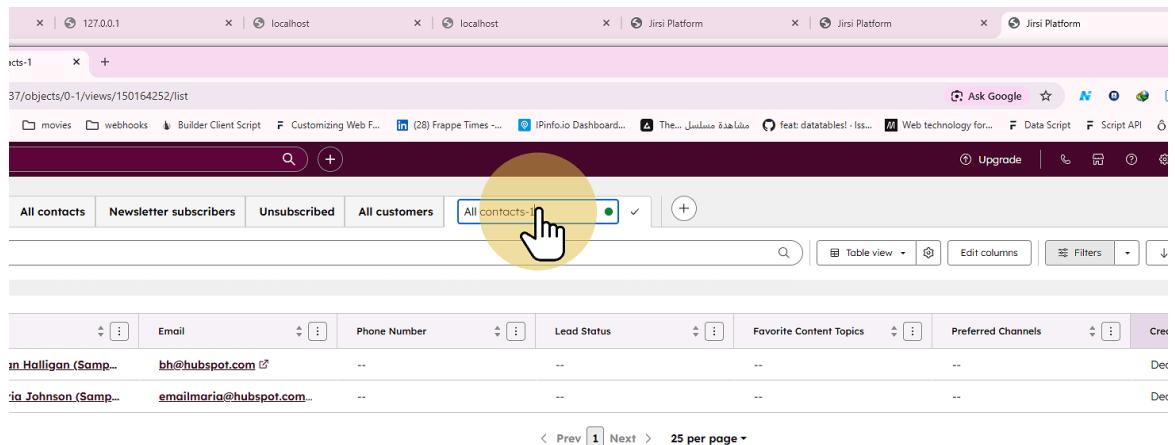

19 Click "Search"

A screenshot of a web browser window showing a contacts list. The header includes tabs for 'contacts' and 'localhost'. Below the header is a navigation bar with links like 'movies', 'webhooks', 'Builder Client Script', 'Customizing Web F...', 'Frappe Times -...', 'IPInfo.io Dashboard...', 'The... ملخص ملخص', 'feat: datatables! - Iss...', 'Web technology for...', 'Data Script', and 'Script API'. The main content area shows a table of contacts with columns for Email, Phone Number, Lead Status, Favorite Content Topics, and Preferred Channels. A search bar is located at the top of the table. A yellow circle highlights the search icon in the top right corner of the header.

20 Click "All contacts-1"

A screenshot of a web browser window showing a contacts list. The header includes tabs for 'contacts-1' and 'localhost'. Below the header is a navigation bar with links like 'movies', 'webhooks', 'Builder Client Script', 'Customizing Web F...', 'Frappe Times -...', 'IPInfo.io Dashboard...', 'The... ملخص ملخص', 'feat: datatables! - Iss...', 'Web technology for...', 'Data Script', and 'Script API'. The main content area shows a table of contacts with columns for Email, Phone Number, Lead Status, Favorite Content Topics, and Preferred Channels. A search bar is located at the top of the table. A yellow circle highlights the 'All contacts-1' tab in the header.

21 Click "Save view name"

The screenshot shows a browser window with multiple tabs open. The active tab is titled 'Jirsi Platform'. The page displays a contact list with columns for Email, Phone Number, Lead Status, Favorite Content Topics, Preferred Channels, and Create Date (GMT+2). There are two contacts listed: one with email 'bh@hubspot.com' and another with email 'emailmaria@hubspot.com'. At the top of the list, there are buttons for 'Newsletter subscribers', 'Unsubscribed', 'All customers', and 'All contacts-1'. The 'All contacts-1' button is highlighted with a yellow circle and has a cursor pointing at it.

Email	Phone Number	Lead Status	Favorite Content Topics	Preferred Channels	Create Date (GMT+2)
bh@hubspot.com	--	--	--	--	Dec 18, 2025 3:48 PM
emailmaria@hubspot.com	--	--	--	--	Dec 18, 2025 3:48 PM

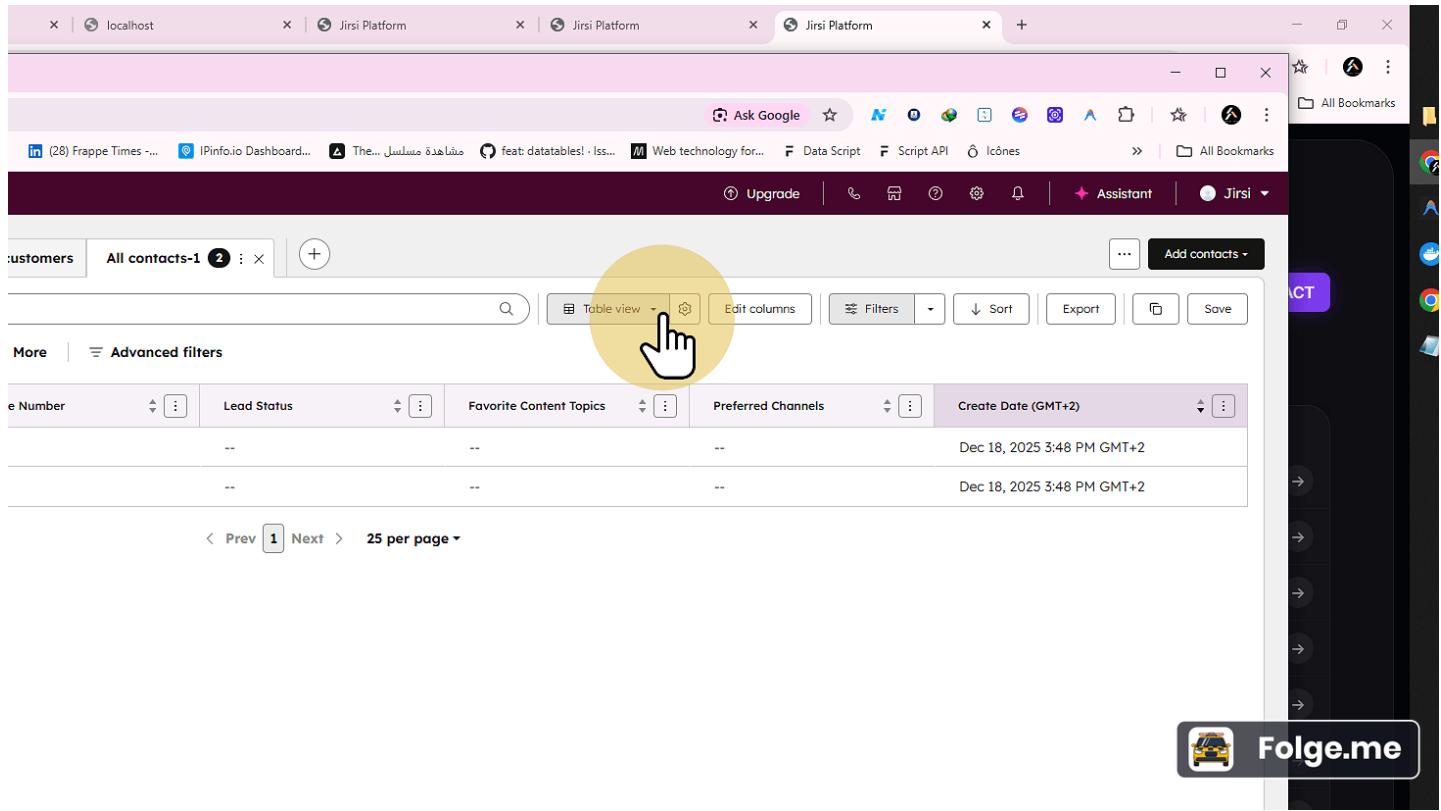

22 Click "group"

This screenshot is similar to the previous one, showing a contact list in Jirsi Platform. The 'All contacts-1' button is again highlighted with a yellow circle and a cursor is clicking on it. The contact list and its columns are identical to the previous screenshot.

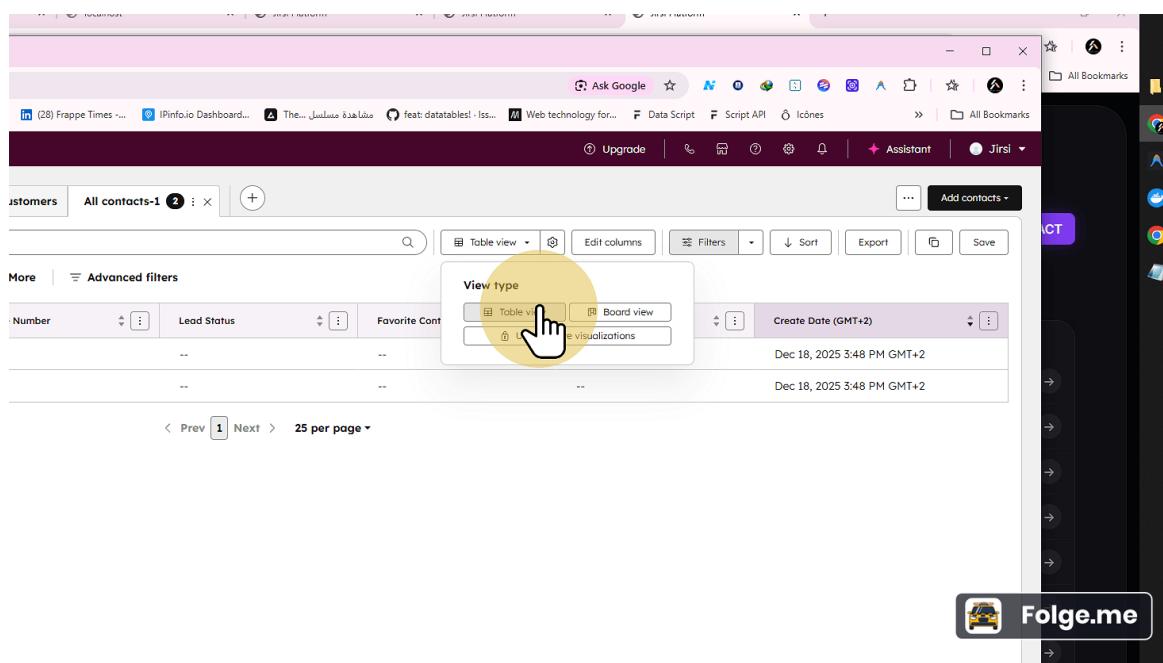

Email	Phone Number	Lead Status	Favorite Content Topics	Preferred Channels	Create Date (GMT+2)
bh@hubspot.com	--	--	--	--	Dec 18, 2025 3:48 PM GMT+2
emailmaria@hubspot.com	--	--	--	--	Dec 18, 2025 3:48 PM GMT+2

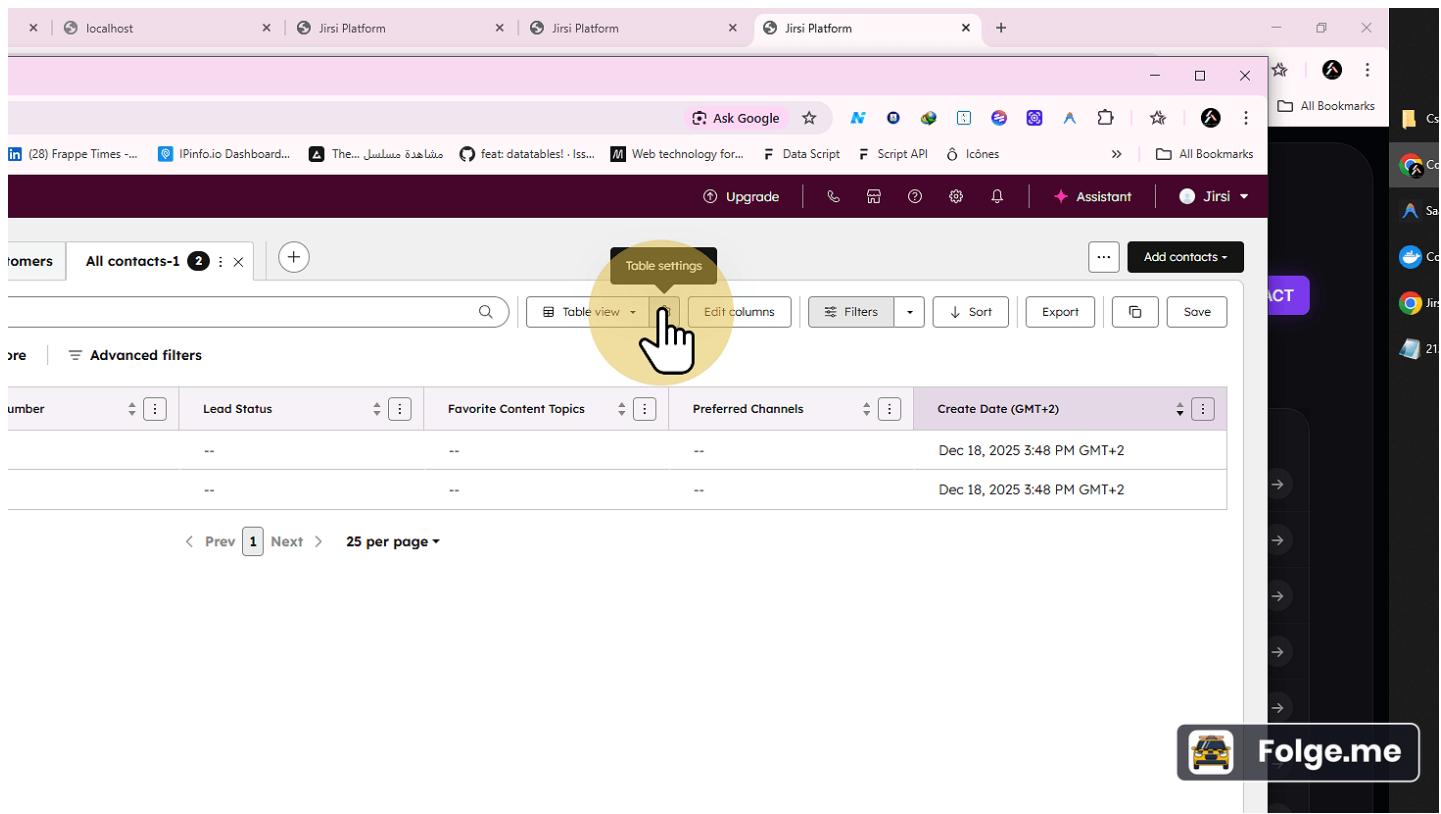

23 Click "Table view"

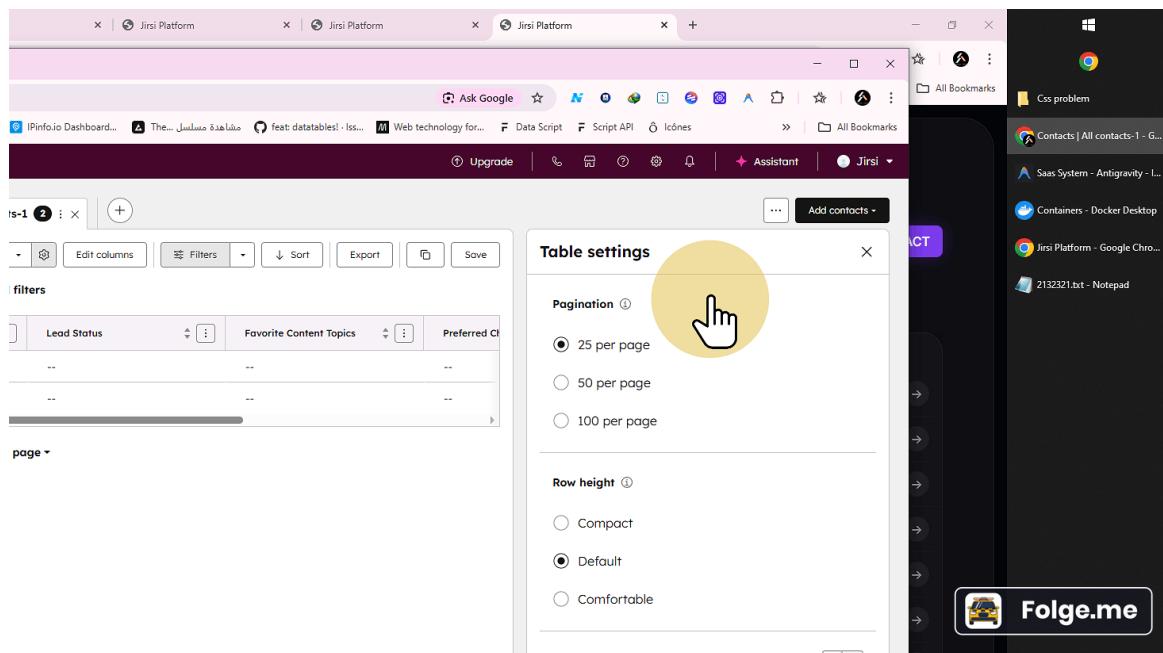

24 Click "dataitem"

25 Click "Open Settings Sidebar"

26 Click "group"

27 Click "Edit columns"

The screenshot shows a contact list interface. At the top, there are several tabs and browser tabs. Below the tabs is a toolbar with various icons and buttons, including a search icon, a plus sign, and an 'Edit column' button which is highlighted with a yellow circle and a hand cursor icon. The main area displays a table of contacts with columns for Email, Phone Number, Lead Status, Favorite Content Topics, and Preferred Ch. There are two rows of data visible.

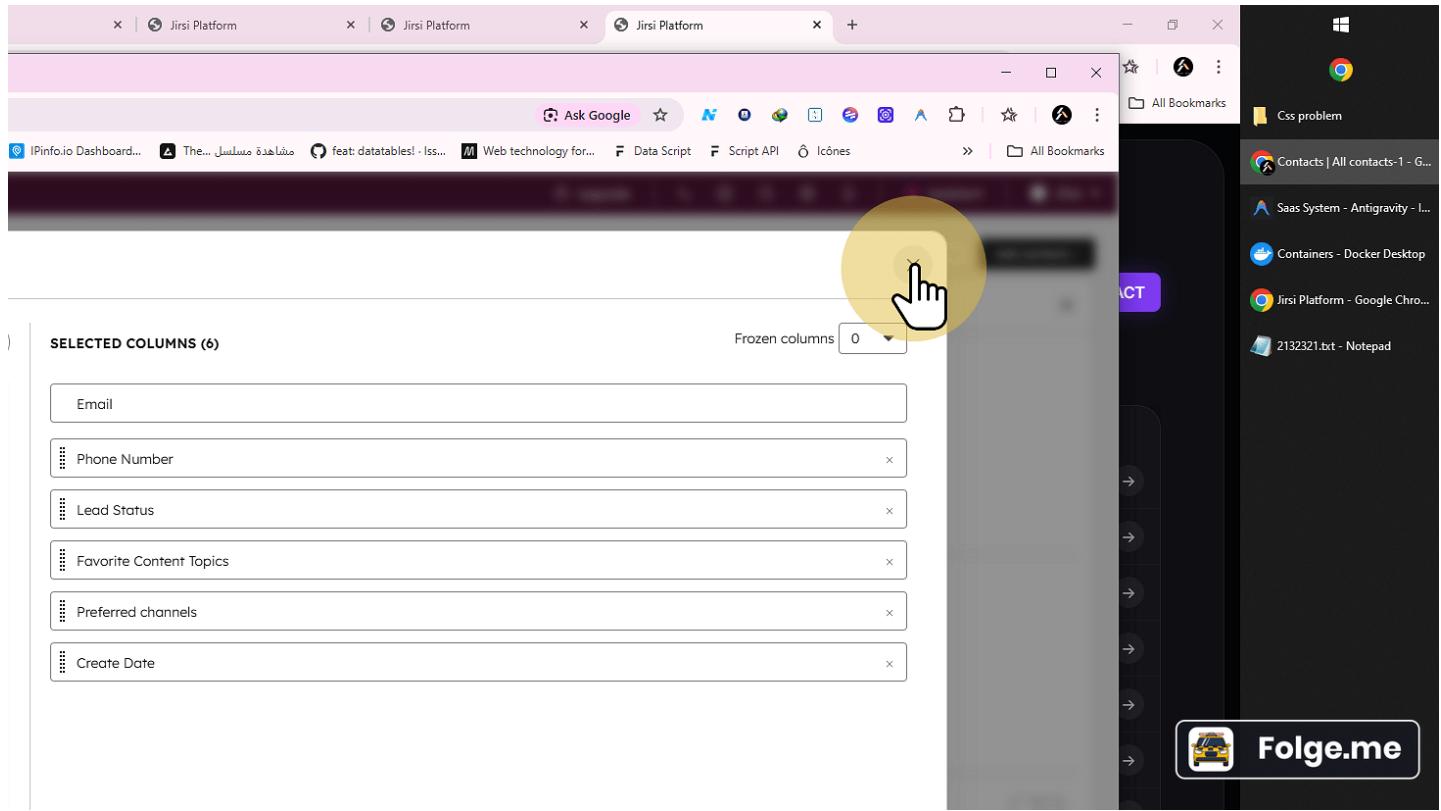

Email	Phone Number	Lead Status	Favorite Content Topics	Preferred Ch
bh@hubspot.com	--	--	--	--
emailmaria@hubspot.com	--	--	--	--

At the bottom of the table, there are navigation buttons for 'Prev', 'Next', and '25 per page'. To the right of the table, there is a sidebar titled 'Table settings' with options for 'Pagination' (set to 25 per page), 'Row height' (set to Default), and a 'Folge.me' logo.

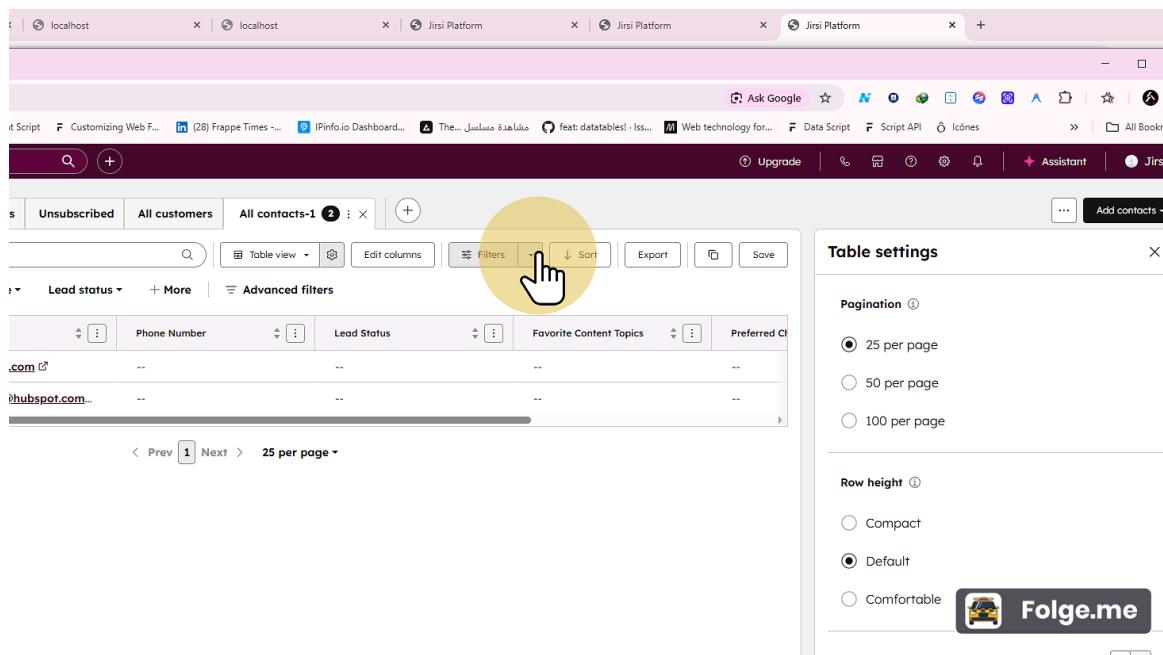

28 Click "group"

The screenshot shows a dropdown menu with four items: 'Lead Status', 'Favorite Content Topics', 'Preferred channels', and 'Create Date'. The 'Preferred channels' item is highlighted with a yellow circle and a hand cursor icon, indicating it is selected. The background shows a dark sidebar with a vertical list of items.

29 Click "group"

30 Click "button"

31 Click "Filters"

The screenshot shows a contact list titled 'All contacts-1'. The top navigation bar includes tabs for 'Subscribers', 'Unsubscribed', and 'All customers'. Below the tabs is a search bar and a toolbar with buttons for 'Table view', 'Edit columns', 'Filters', 'Sort', 'Export', and 'Save'. A yellow circle highlights the 'Filters' button. A hand cursor is shown clicking on it. To the right of the main content area, there is a sidebar titled 'Table settings' with options for 'Pagination' (set to 25 per page), 'Row height' (set to Default), and a 'Folge.me' logo.

32 Click "Filters"

The screenshot shows a contact list titled 'All contacts-1'. The top navigation bar includes tabs for 'Subscribers', 'Unsubscribed', and 'All customers'. Below the tabs is a search bar and a toolbar with buttons for 'Table view', 'Edit columns', 'Filters', 'Sort', 'Export', and 'Save'. A yellow circle highlights the 'Filters' button. A hand cursor is shown clicking on it. A tooltip message 'You have no filters applied.' is visible near the button. To the right of the main content area, there is a sidebar titled 'Table settings' with options for 'Pagination' (set to 25 per page), 'Row height' (set to Default), and a 'Folge.me' logo.

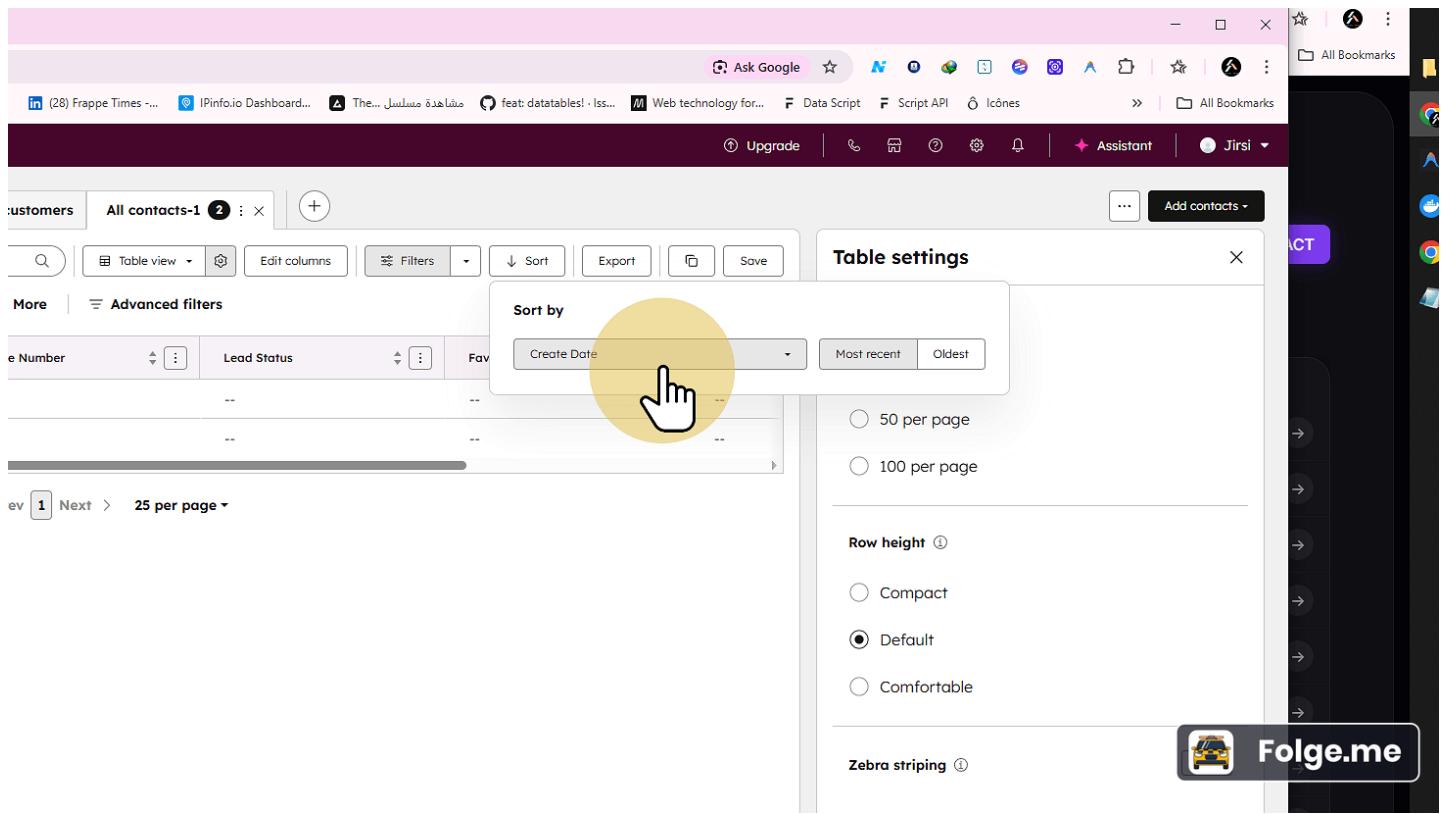

33 Click "group"

The screenshot shows a contact list interface. At the top, there are several tabs and browser tabs. Below the tabs, a search bar and a toolbar with various icons are visible. The main area displays a table of contacts with columns for Email, Phone Number, Lead Status, Favorite Content Topics, and Preferred Channel. A yellow circle highlights the 'Lead Status' column header, and a hand cursor is shown clicking on the sorting icon (down arrow) within that header. To the right of the table, a sidebar titled 'Table settings' contains options for Pagination (25 per page selected), Row height (Default selected), and a logo for 'Folge.me'.

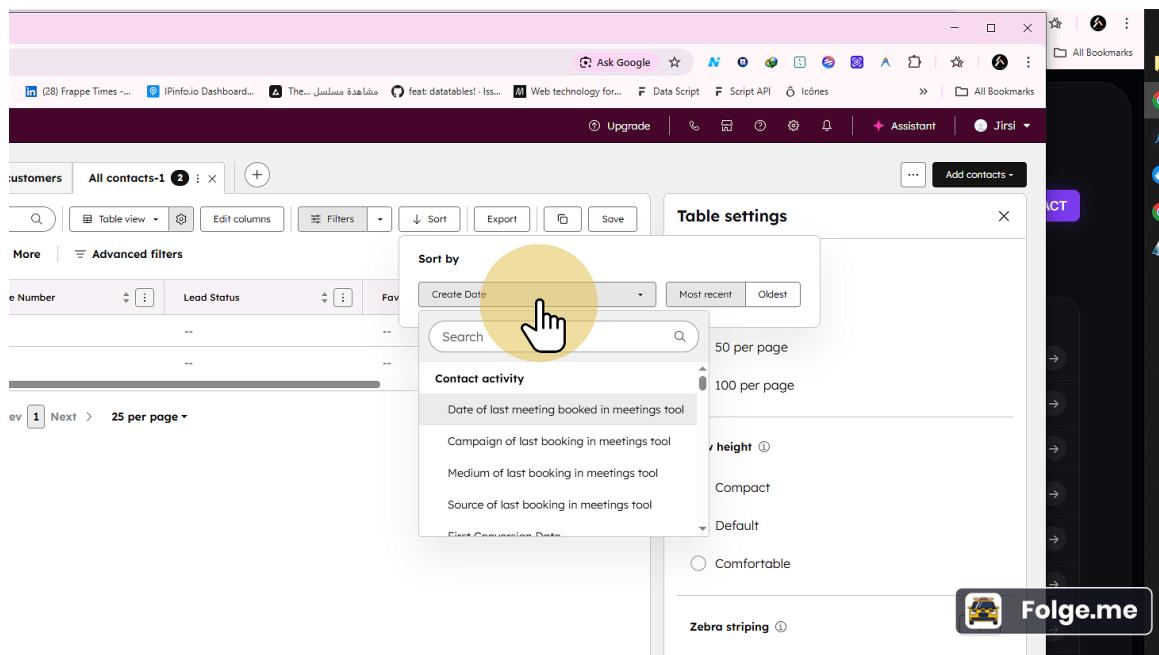

34 Click "Sort"

The screenshot shows a contact list interface, similar to the previous one but with a different toolbar configuration. The toolbar includes a search bar, a 'Table view' button, 'Edit columns' button, 'Filters' button, a 'Sort' button (which is highlighted with a yellow circle and has a hand cursor clicking it), and other buttons like 'Export' and 'Save'. The main table structure is identical to the first screenshot, showing contacts with columns for Email, Phone Number, Lead Status, Favorite Content Topics, and Preferred Channel. To the right, the 'Table settings' sidebar is present with the same configuration options as the first screenshot.

35 Click "Open context menu"

36 Click "Create Date"

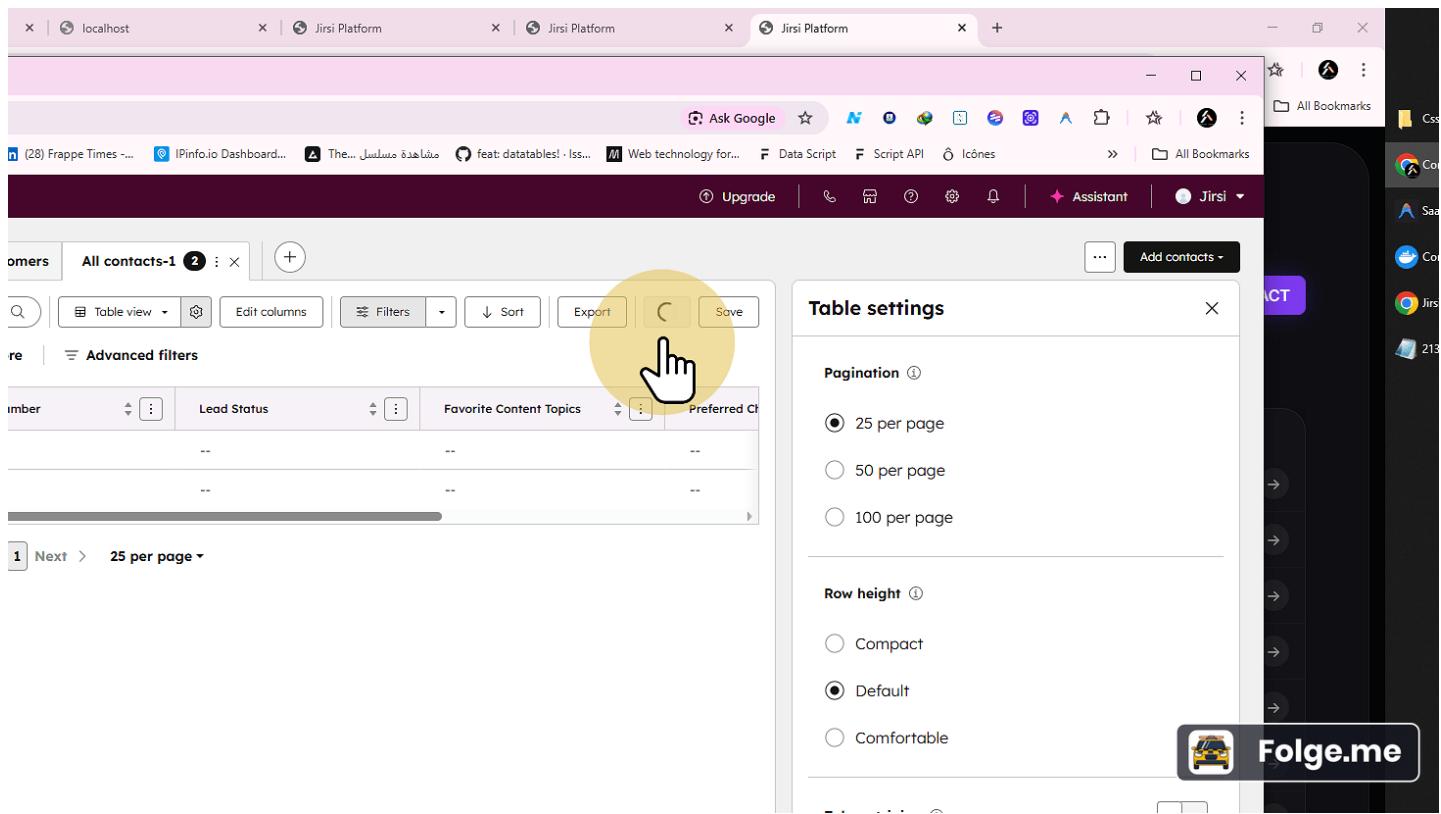

37 Click "group"

A screenshot of a web browser window showing a contact list. The browser has multiple tabs open, including 'localhost', 'Jiri Platform', and 'Ask Google'. The main content area displays a table of contacts with columns for Email, Phone Number, Lead Status, Favorite Content Topics, and Preferred Channel. A yellow circle highlights the 'Clone view' button in the top right corner of the table settings panel.

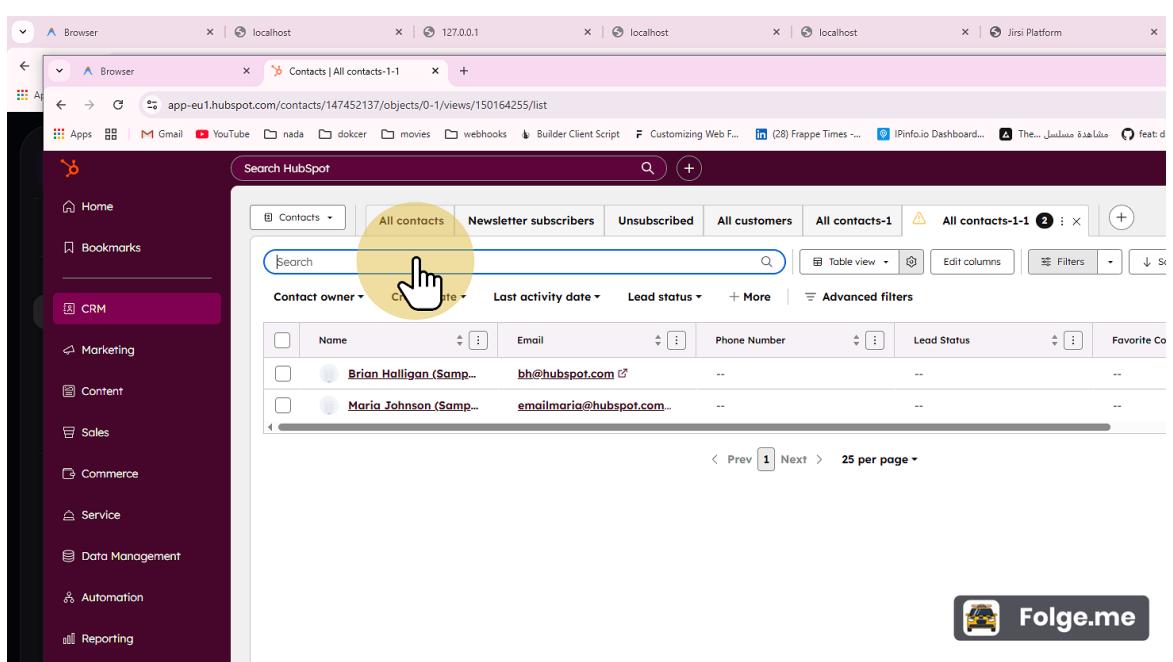

38 Click "button"

A screenshot of a web browser window showing a contact list. The browser has multiple tabs open, including 'localhost', 'Jiri Platform', and 'Ask Google'. The main content area displays a table of contacts with columns for Email, Phone Number, Lead Status, Favorite Content Topics, and Preferred Channel. A yellow circle highlights the 'Save' button in the top right corner of the table settings panel.

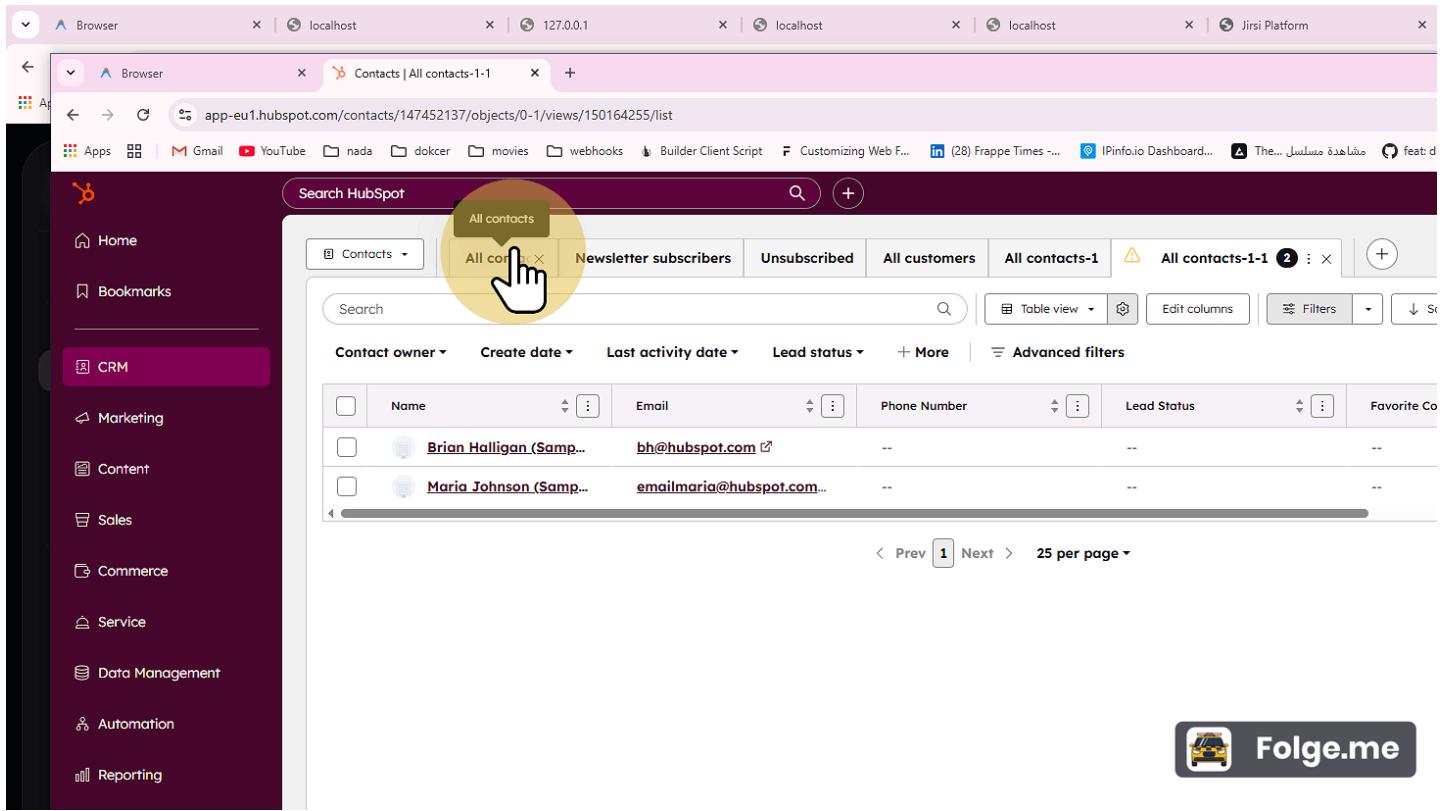

39 Click "group"

40 Click "Search"

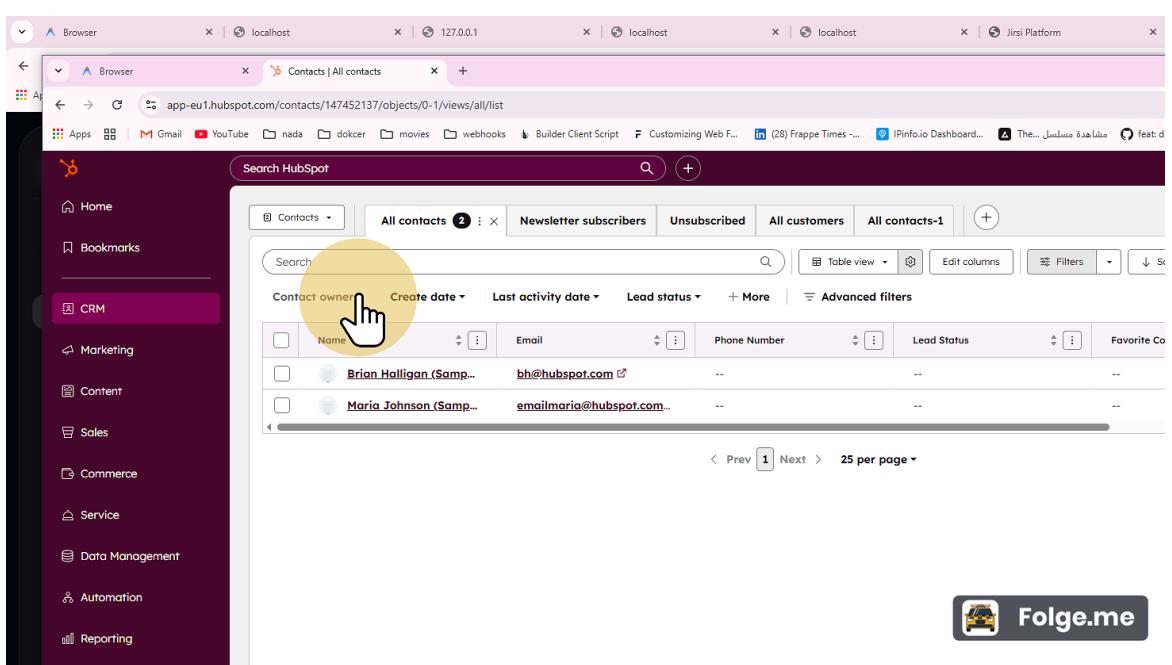

41 Click "All contacts"

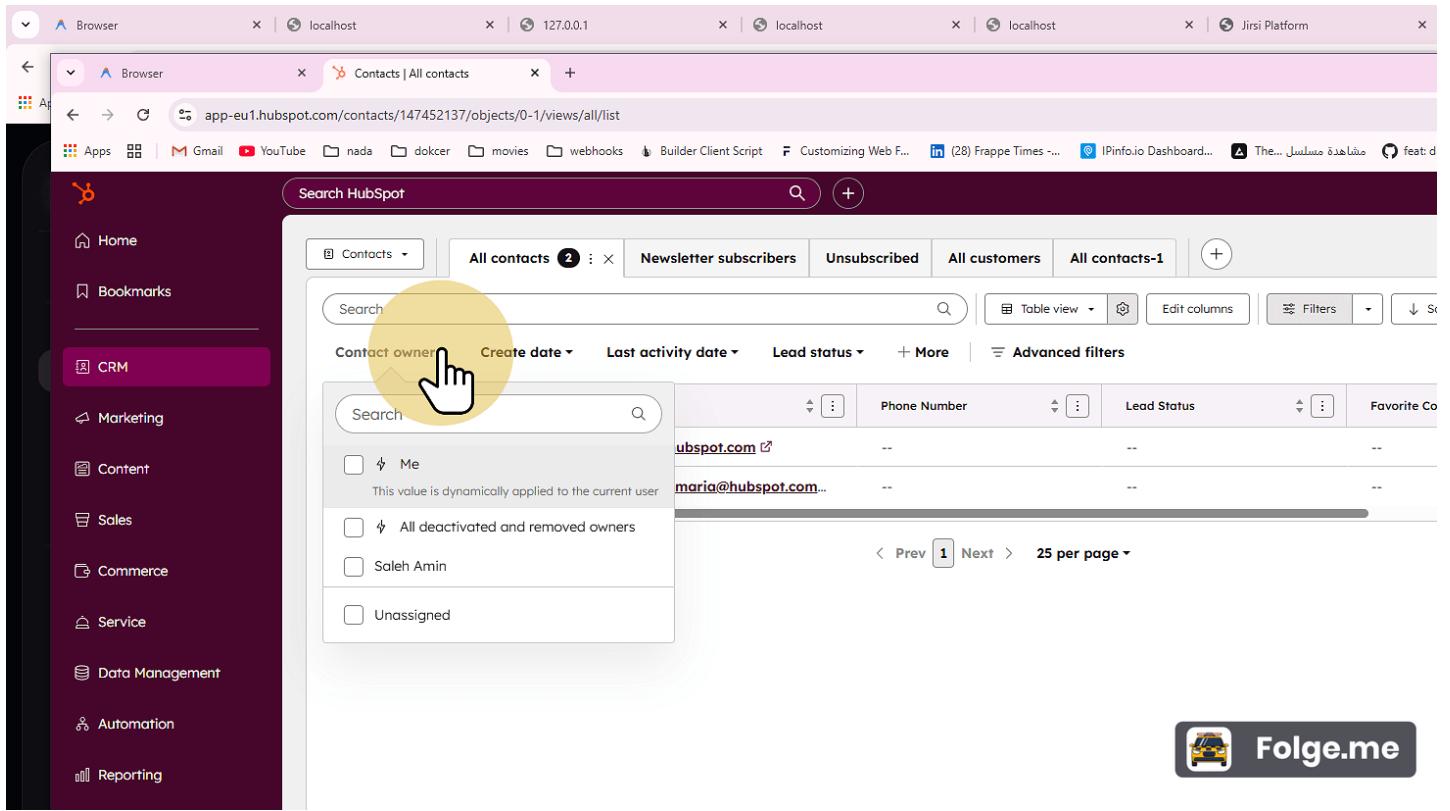

The screenshot shows the HubSpot CRM interface. On the left, there's a sidebar with various categories like Home, Bookmarks, CRM, Marketing, Content, Sales, Commerce, Service, Data Management, Automation, and Reporting. The CRM section is highlighted in purple. In the main area, there's a search bar labeled 'Search HubSpot'. Below it, a navigation bar has several tabs: 'Contacts' (selected), 'All contacts', 'Newsletter subscribers', 'Unsubscribed', 'All customers', and 'All contacts-1'. The 'All contacts' tab is highlighted with a yellow circle and has a hand icon pointing at it. The main content area displays a table of contact information with columns for Name, Email, Phone Number, Lead Status, and Favorite Co. Two contacts are listed: Brian Holligan (Samp...) and Maria Johnson (Samp...). At the bottom, there are pagination controls ('Prev', 'Next', '25 per page') and filter options.

42 Click "Contact owner"

This screenshot is identical to the one above, showing the 'All contacts' view in the HubSpot CRM. The yellow circle and hand icon are positioned over the 'Contact owner' column header in the table, indicating the next step in the process.

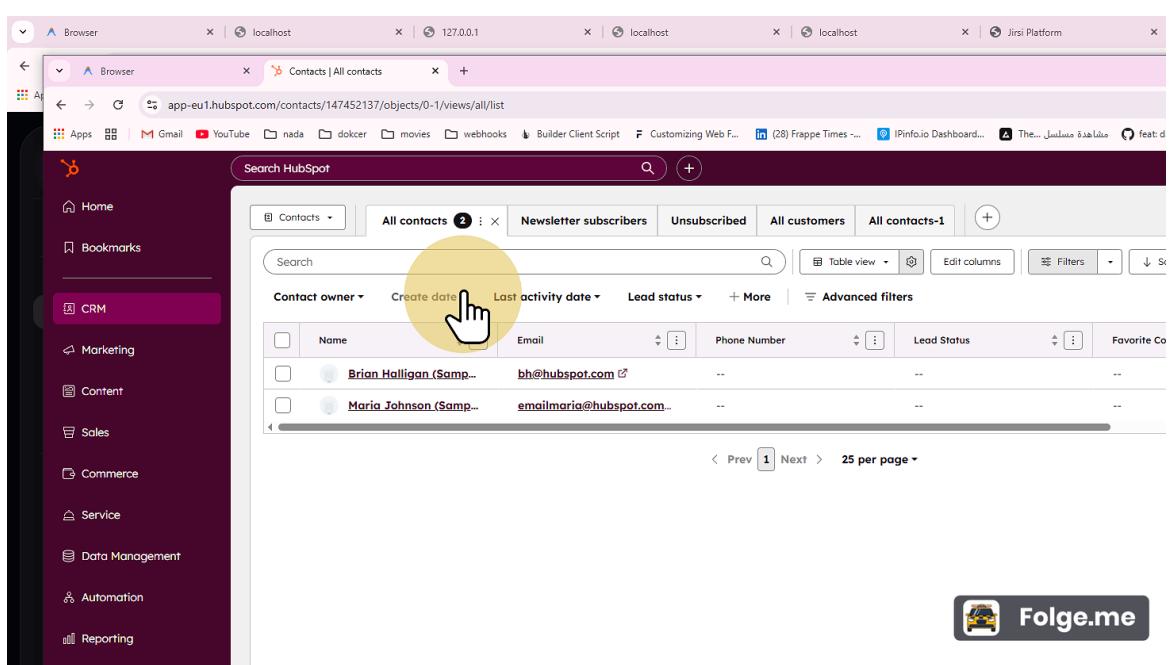

43 Click "Contact owner"

The screenshot shows the HubSpot CRM interface. On the left, there's a sidebar with various categories like Home, Bookmarks, CRM (which is selected and highlighted in purple), Marketing, Content, Sales, Commerce, Service, Data Management, Automation, and Reporting. The main area is titled 'Contacts' and shows a list of contacts. At the top of the contact list, there's a dropdown menu labeled 'Contact owner'. This menu is currently open, displaying several options: 'Me' (selected with a checked checkbox), 'All deactivated and removed owners', 'Saleh Amin', and 'Unassigned'. A yellow circle and a hand cursor are positioned over the 'Me' option in the dropdown menu.

	Name	Email	Phone Number	Lead Status	Favorite Co
<input type="checkbox"/>	ubspot.com	--	--	--	--
<input type="checkbox"/>	maria@hubspot.com...	--	--	--	--

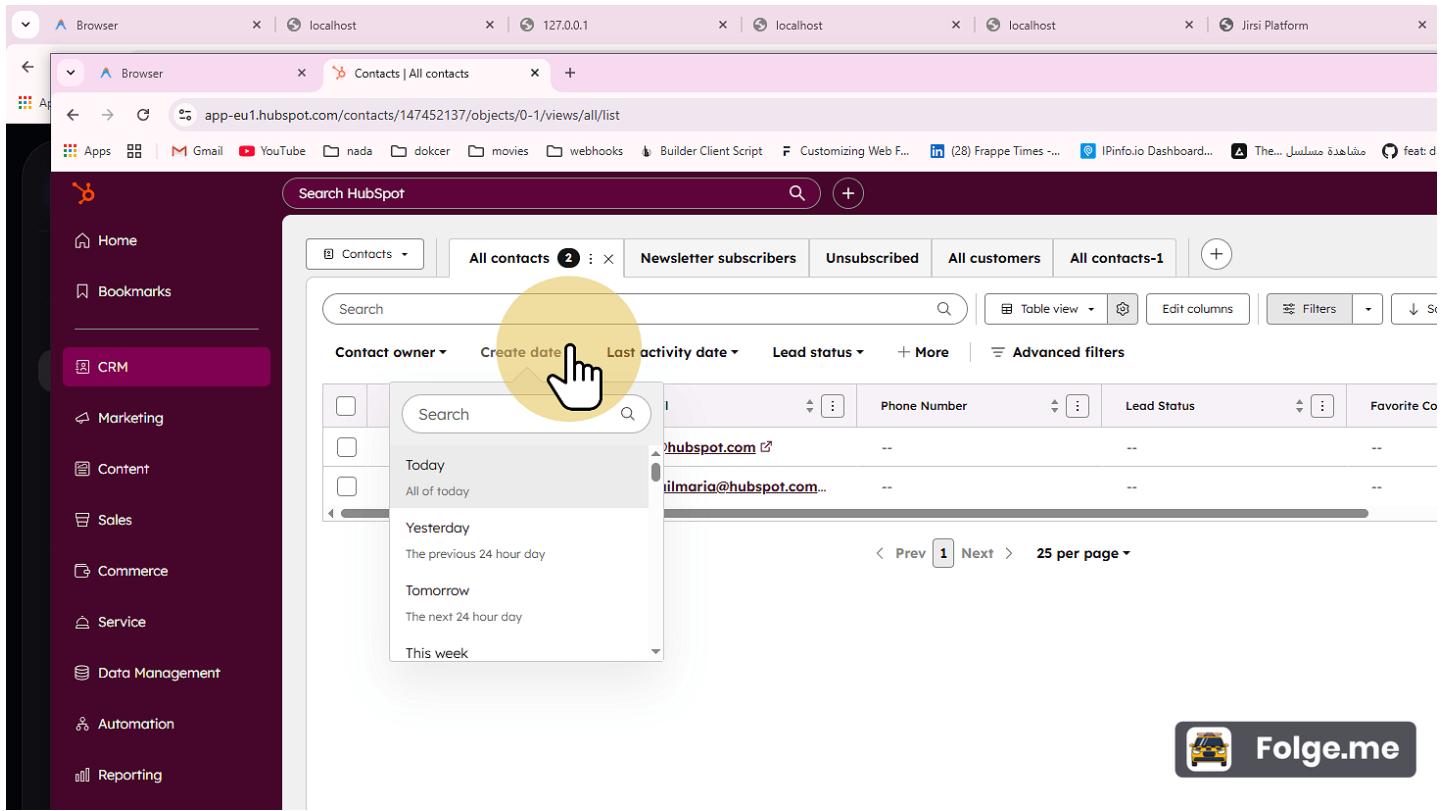

44 Click "Create date"

This screenshot is similar to the previous one but shows a different state of the 'Contact owner' dropdown. The 'Me' option is still selected. A yellow circle and a hand cursor are now positioned over the 'Create date' button in the top navigation bar of the contact list.

	Name	Email	Phone Number	Lead Status	Favorite Co
<input type="checkbox"/>	Brian Halligan (Samp...	bh@hubspot.com	--	--	--
<input type="checkbox"/>	Maria Johnson (Samp...	emailmaria@hubspot.com	--	--	--

45 Click "Create date"

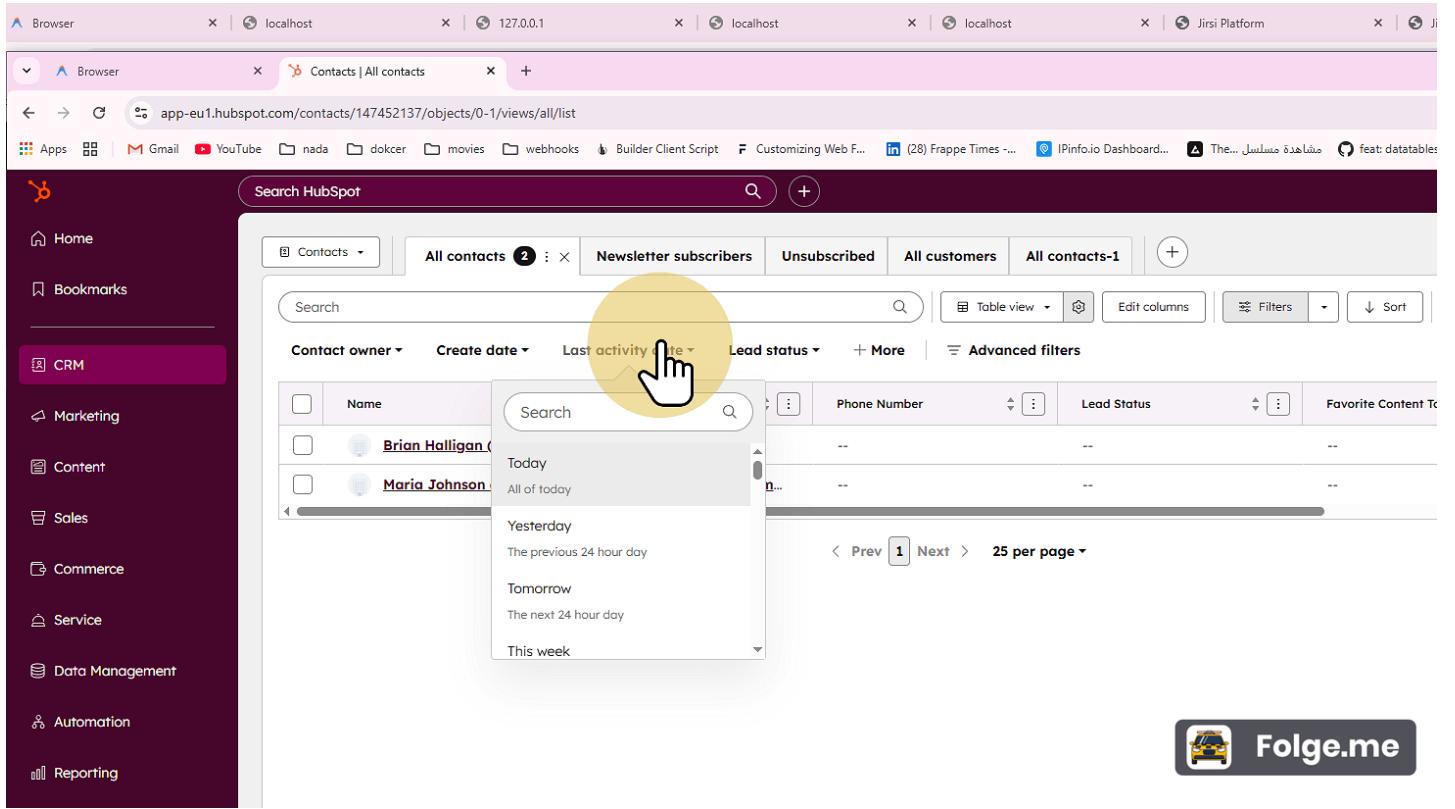

The screenshot shows the HubSpot Contacts list interface. On the left, there's a sidebar with various CRM-related sections like Marketing, Content, Sales, Commerce, Service, Data Management, Automation, and Reporting. The main area displays a table of contacts with columns for Name, Email, Phone Number, Lead Status, and Favorite Content Type. At the top, there are several filters: 'Contact owner', 'Create date' (which has a dropdown menu open), 'Last activity date' (also with a dropdown menu open), 'Lead status', and 'More'. The 'Create date' dropdown menu includes options like Today, All of today, Yesterday, Tomorrow, This week, and This month. A yellow circle and a hand cursor are positioned over the 'Create date' button.

46 Click "Last activity date"

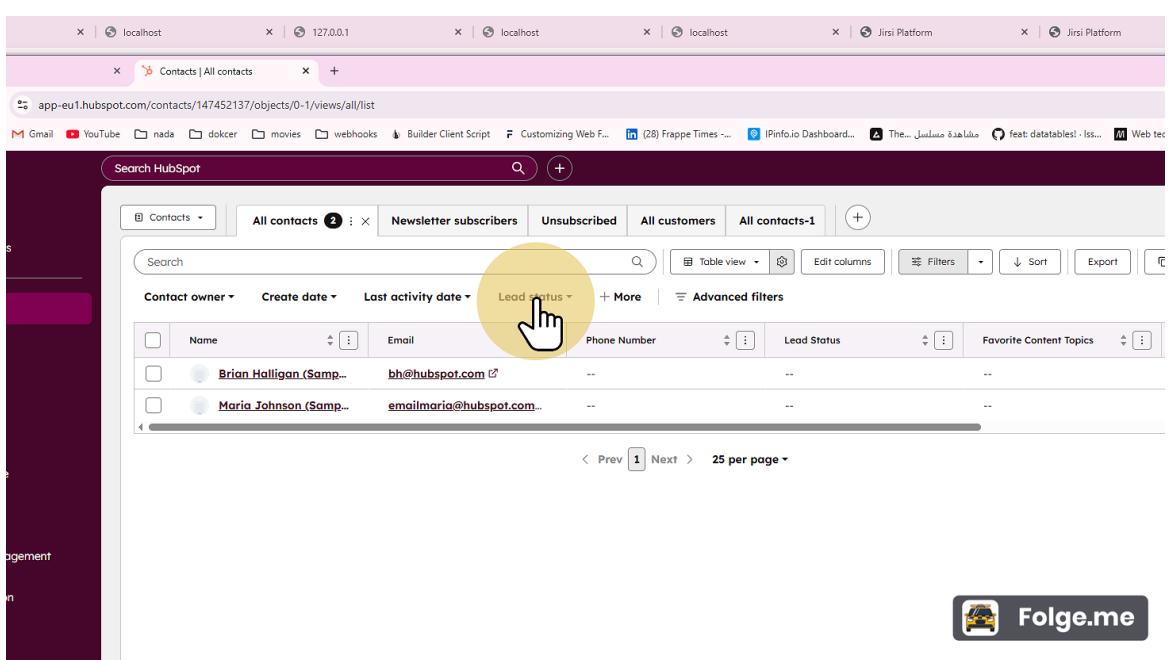

This screenshot is similar to the previous one but focuses on the 'Last activity date' filter. The 'Last activity date' dropdown menu is open, showing options such as Today, All of today, Yesterday, Tomorrow, This week, and This month. A yellow circle and a hand cursor are positioned over the 'Last activity date' button.

47 Click "Last activity date"

The screenshot shows the HubSpot CRM interface for contacts. On the left, there's a sidebar with various categories like Home, Bookmarks, CRM (which is selected), Marketing, Content, Sales, Commerce, Service, Data Management, Automation, and Reporting. The main area is titled 'Search HubSpot' and shows a list of contacts. A yellow circle with a hand cursor highlights the 'Last activity date' dropdown menu. The menu lists options such as Today, All of today, Yesterday, Tomorrow, This week, and More. Other visible columns include Contact owner, Create date, Name, Email, Phone Number, Lead Status, and Favorite Content Topics.

48 Click "Lead status"

This screenshot is similar to the previous one but shows the 'Lead status' dropdown menu highlighted with a yellow circle and a hand cursor. The menu includes options like Lead, MQL, SQL, and Opportunity. The contact list table remains the same, displaying Name, Email, Phone Number, Lead Status, and Favorite Content Topics for each contact entry.

49 Click "Lead status"

The screenshot shows the HubSpot Contacts page with the 'All contacts' filter selected. The 'Lead status' dropdown menu is open, displaying a list of status categories. A yellow circle and a hand cursor are positioned over the 'Lead status' button to indicate the action being performed.

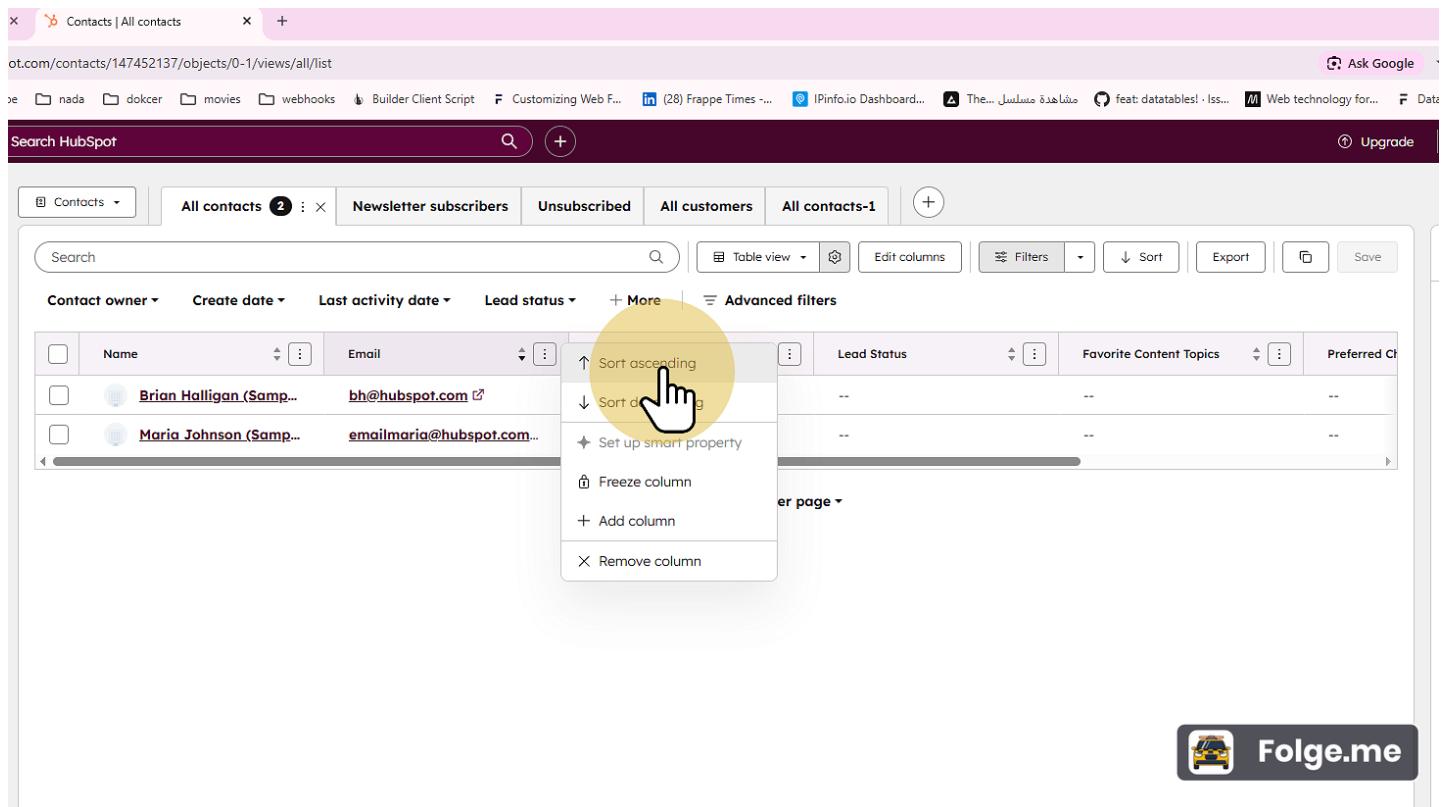

Name	Email	Lead Status	Favorite Content Topics
Brian Halligan (Samp...	bh@hubspot.com	--	--
Maria Johnson (Samp...	emailmaria@hubspot.com...	--	--

50 Click "Open context menu"

The screenshot shows the HubSpot Contacts page with the 'All contacts' filter selected. A context menu is open over the email address 'bh@hubspot.com' for the contact 'Brian Halligan'. A yellow circle and a hand cursor are positioned over the contact's email address to indicate the action being performed.

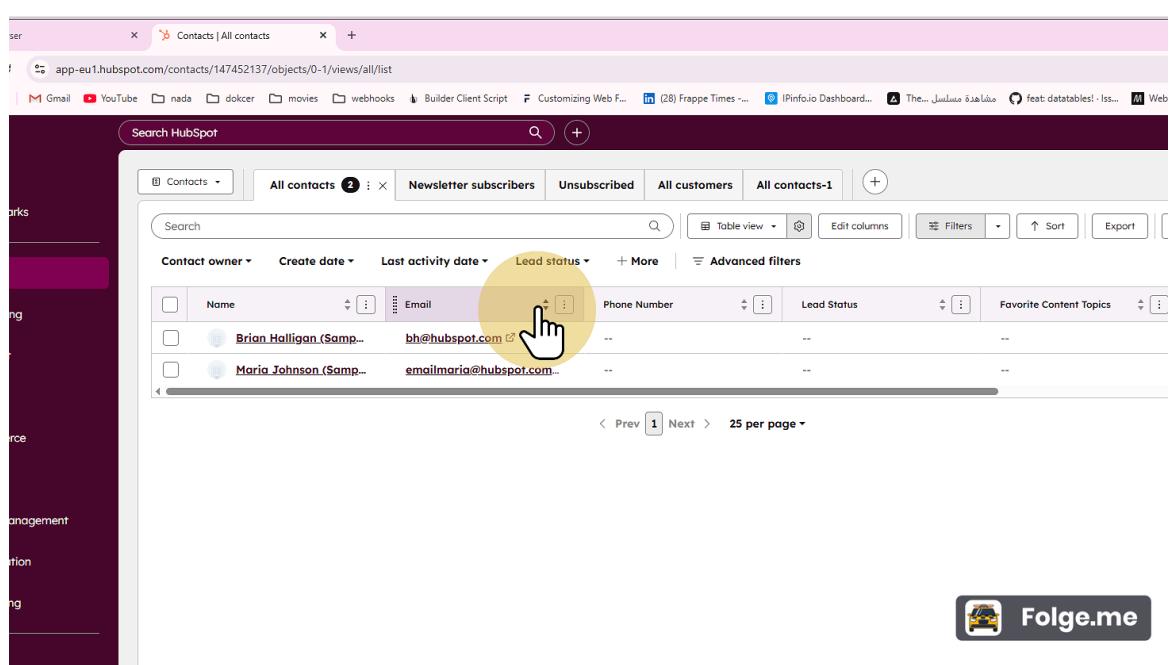

Name	Email	Phone Number	Lead Status	Favorite Content Topics
Brian Halligan (Samp...	bh@hubspot.com	--	--	--
Maria Johnson (Samp...	emailmaria@hubspot.com...	--	--	--

51 Click "dataitem"

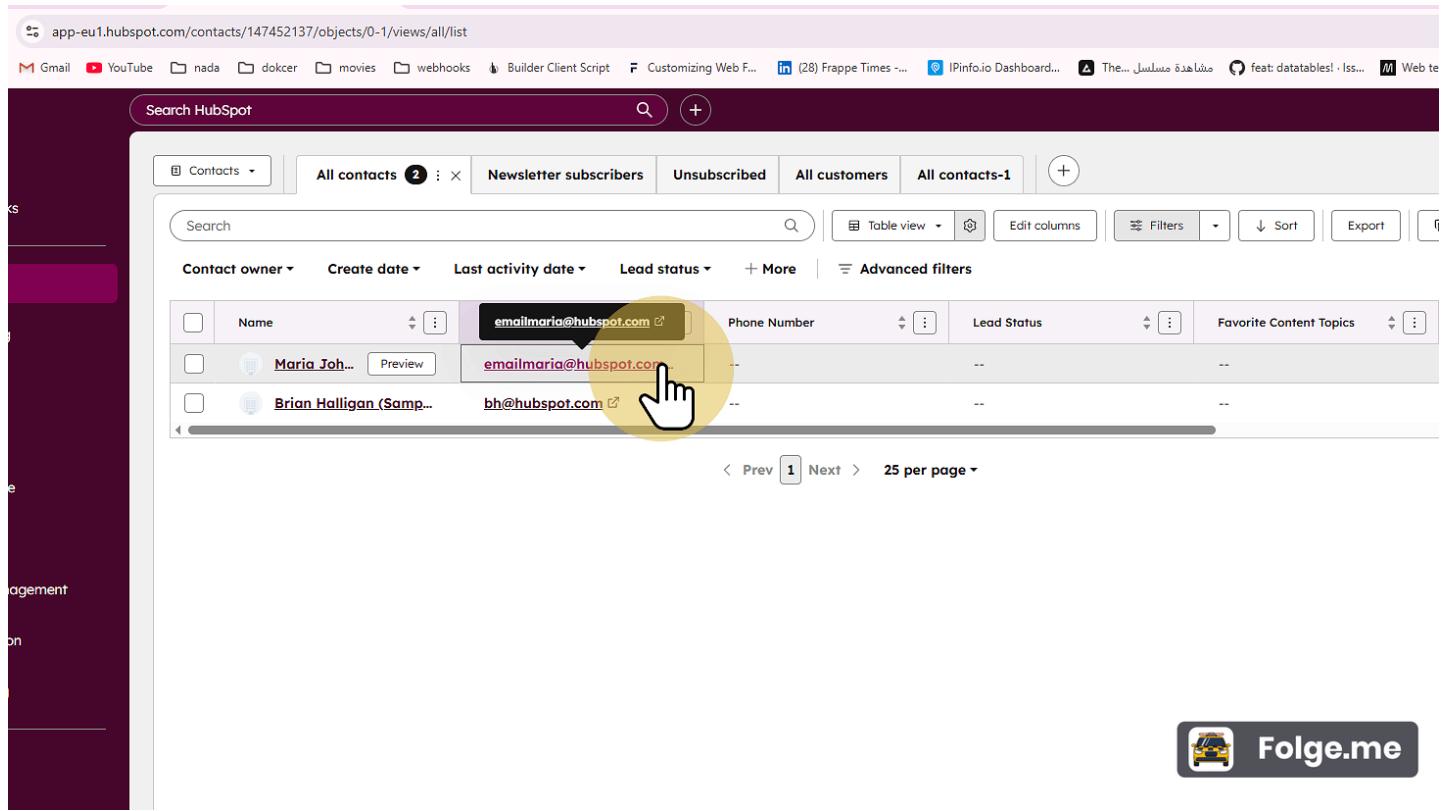

A screenshot of the HubSpot Contacts page. The URL is <https://app-eu1.hubspot.com/contacts/147452137/objects/0-1/views/all/list>. The page shows a list of contacts with columns for Name, Email, Lead Status, and Favorite Content Topics. A context menu is open over the 'Email' column header, with a yellow circle highlighting the 'Sort descending' option. The menu also includes 'Sort ascending', 'Set up smart property', 'Freeze column', 'Add column', and 'Remove column'. At the bottom right of the page is a 'Folge.me' watermark.

52 Click "dataitem"

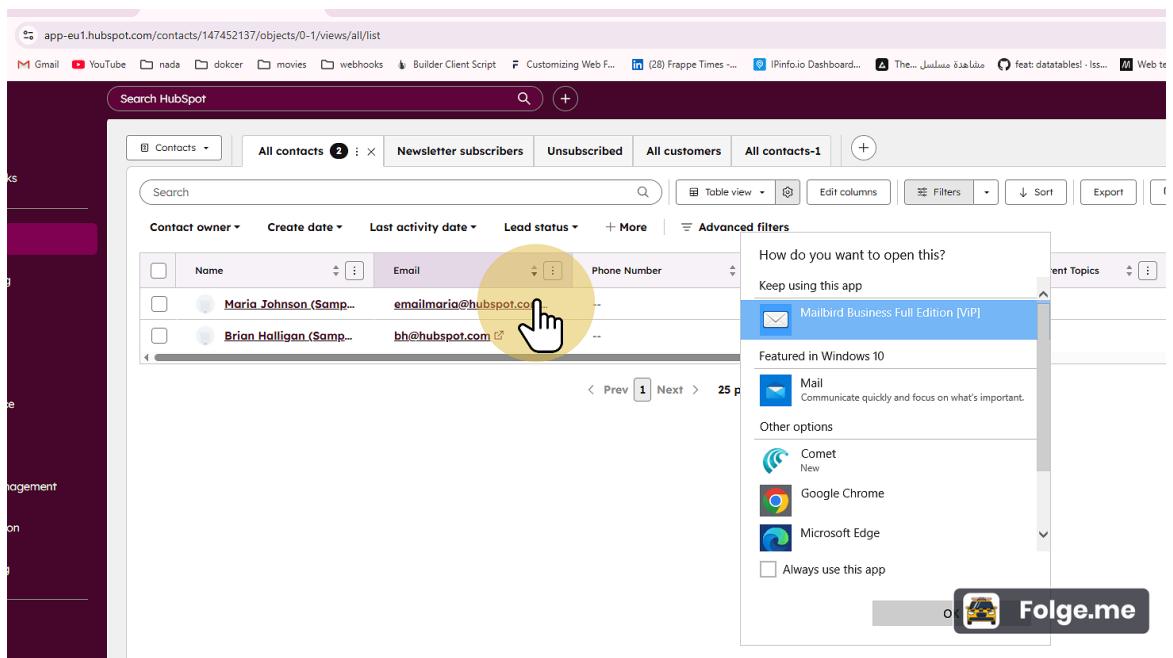

A screenshot of the HubSpot Contacts page, identical to the one above but with a different background color. The URL is <https://app-eu1.hubspot.com/contacts/147452137/objects/0-1/views/all/list>. The page shows a list of contacts with columns for Name, Email, Phone Number, Lead Status, and Favorite Content Topics. A context menu is open over the 'Email' column header, with a yellow circle highlighting the 'Sort descending' option. The menu also includes 'Sort ascending', 'Set up smart property', 'Freeze column', 'Add column', and 'Remove column'. At the bottom right of the page is a 'Folge.me' watermark.

53 Click "emailmaria@hubspot.com Link opens in a new window"

The screenshot shows the HubSpot Contacts list interface. A specific email address, emailmaria@hubspot.com, is highlighted with a yellow circle and a hand cursor icon pointing at it. The contact list includes columns for Name, Email, Phone Number, Lead Status, and Favorite Content Topics. The URL in the browser bar is <app-eu1.hubspot.com/contacts/147452137/objects/0-1/views/all/list>.

54 Click "Close"

The screenshot shows the same HubSpot Contacts list interface as above. A context menu has been opened over the email address emailmaria@hubspot.com. The menu items include "How do you want to open this?", "Keep using this app" (which is selected and highlighted in blue), "Mailbird Business Full Edition [VIP]", "Featured in Windows 10", "Mail", "Other options", "Comet", "Google Chrome", "Microsoft Edge", and "Always use this app". The URL in the browser bar is <app-eu1.hubspot.com/contacts/147452137/objects/0-1/views/all/list>.

55 Click "--"

The screenshot shows the HubSpot Contacts list interface. A contact card for 'Maria Joh...' is selected, with a yellow circle highlighting the 'Phone Number' field which contains the value '--'. A hand cursor is clicking on the '--' symbol. The page includes various filters and sorting options at the top.

56 Click "dataitem"

The screenshot shows the HubSpot Contacts list interface with a modal dialog titled 'Edit phone number' open. The 'Country' dropdown is set to 'US', and a yellow circle highlights the '+' icon next to it. A hand cursor is clicking on the '+' icon. The modal also contains fields for 'Extension' and 'Remove number formatting'.

57 Click "group"

The screenshot shows a HubSpot contact list interface. A modal window titled 'Edit phone number' is open. Inside the modal, there is a dropdown menu set to 'US', a text input field containing '+1', and a placeholder text 'Select a country code and enter a phone number.' Below these fields is a link 'Remove number formatting'. At the bottom of the modal, there are two buttons: 'Save' and 'Cancel'. A large yellow circle with a hand cursor icon is positioned over the 'Cancel' button.

58 Click "Cancel"

This screenshot is identical to the one above, showing the 'Edit phone number' modal in HubSpot. The modal contains the same fields and layout as the previous screenshot. A yellow circle with a hand cursor icon is again positioned over the 'Cancel' button at the bottom left of the modal.

59 Click "group"

The screenshot shows the HubSpot Contacts list interface. On the left, there's a sidebar with various categories like Home, Bookmarks, CRM, Marketing, Content, Sales, Commerce, Service, Data Management, Automation, Reporting, Breeze, and Development. The main area displays a table of contacts with columns for Name, Email, Phone Number, Lead Status, and Favorite Content Topic. Two contacts are listed: Maria Johnson (emailmaria@hubspot.com) and Brian Halligan (bh@hubspot.com). A yellow circle and a hand cursor are overlaid on the 'Email' column for Brian Halligan.

60 Click "--"

This screenshot shows a custom web application interface with a contacts list. The top navigation bar includes links for Ask Google, Upgrade, and various system icons. The main content area shows a table with columns for Email, Phone Number, Lead Status, Favorite Content Topics, and Preferred CI. Two contacts are listed: emailmaria@hubspot.com and bh@hubspot.com, both with '--' in the Lead Status column. A yellow circle and a hand cursor are overlaid on the 'Lead Status' column. To the right, a sidebar titled 'Table settings' contains sections for 'Pagination' (with 25 per page selected) and 'Row height' (with Default selected). A Folge.me watermark is visible in the bottom right corner.

61 Click "--"

The screenshot shows a contact list in HubSpot. A dropdown menu is open over a row of contacts, specifically for the 'Lead Status' column. The dropdown menu contains the following options: 'New', 'Open', 'In progress', and 'Open deal'. A large yellow circle with a hand cursor icon is positioned over the search bar within this dropdown menu.

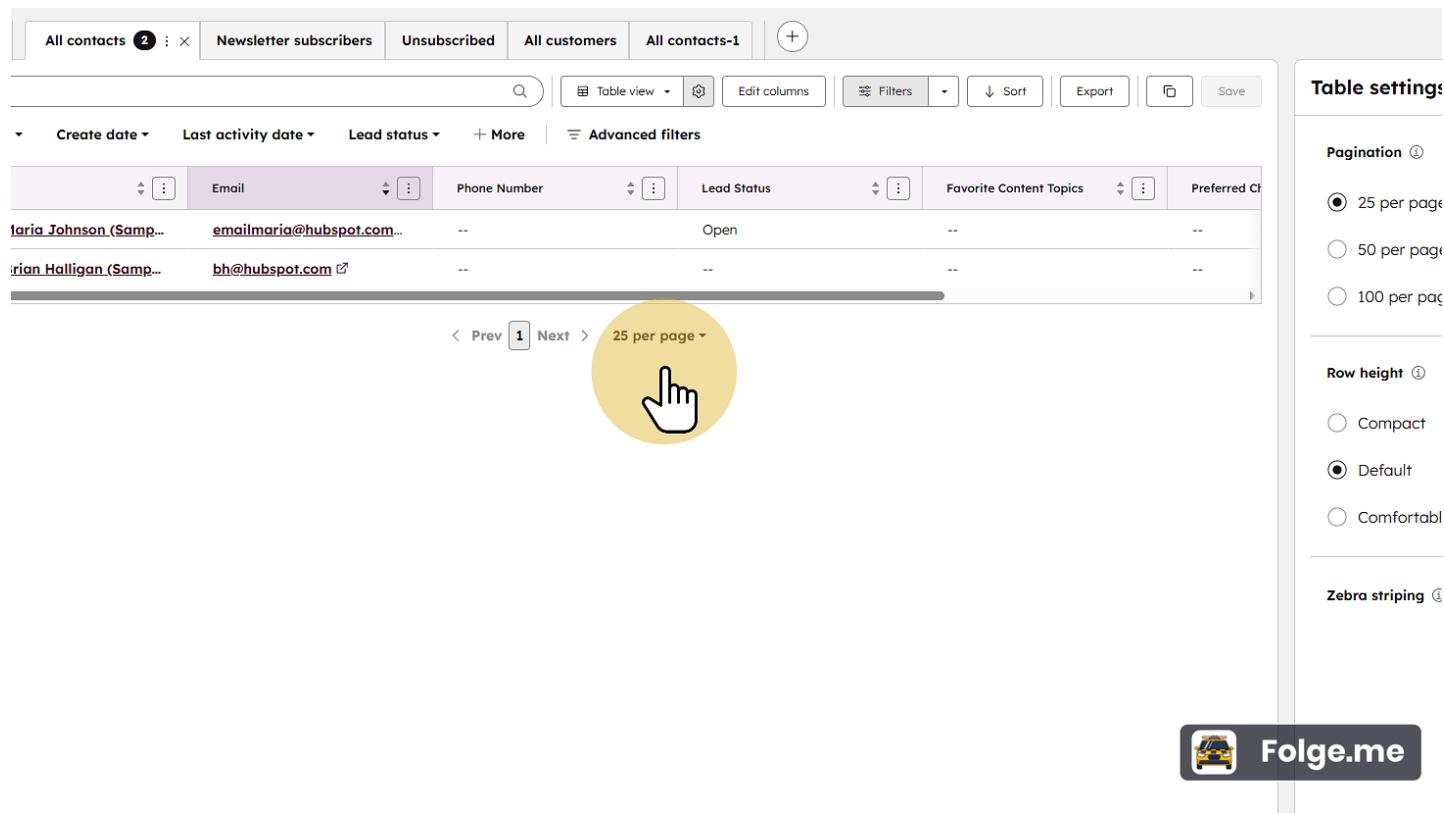

Email	Phone Number	Lead Status	Favorite Content Topics	Preferred Ch...
emailmaria@hubspot.com	--	--	--	--
bh@hubspot.com	--	--	--	--

62 Click "group"

The screenshot shows a contact list in HubSpot. A specific contact row is highlighted with a large yellow circle and a hand cursor icon. The contact information includes an email link ([emailmaria@hubspot.com](#)) and a phone number ([bh@hubspot.com](#)). The 'Lead Status' for this contact is currently set to 'Open'.

Email	Phone Number	Lead Status	Favorite Content Topics	Preferred Ch...
emailmaria@hubspot.com	--	Open	--	--
bh@hubspot.com	--	--	--	--

63 Click "group"

The screenshot shows a HubSpot contact list. At the top, there are tabs for 'All contacts' (2), 'Newsletter subscribers', 'Unsubscribed', 'All customers', and 'All contacts-1'. Below the tabs are buttons for 'Table view', 'Edit columns', 'Filters', 'Sort', 'Export', and 'Save'. A search bar is also present. Underneath these are filter options for 'Create date', 'Last activity date', 'Lead status', and 'More', along with an 'Advanced filters' button. The main area displays two contact entries:

Email	Phone Number	Lead Status	Favorite Content Topics	Preferred Ch...
maria.Johnson (Samp...	--	Open	--	--
rian.Halligan (Samp...	--	--	--	--

At the bottom, there are navigation buttons for 'Prev' and 'Next', a page number '1', and a '25 per page' dropdown. A large yellow circle with a hand cursor icon is overlaid on the '25 per page' dropdown.

67 Click "button"

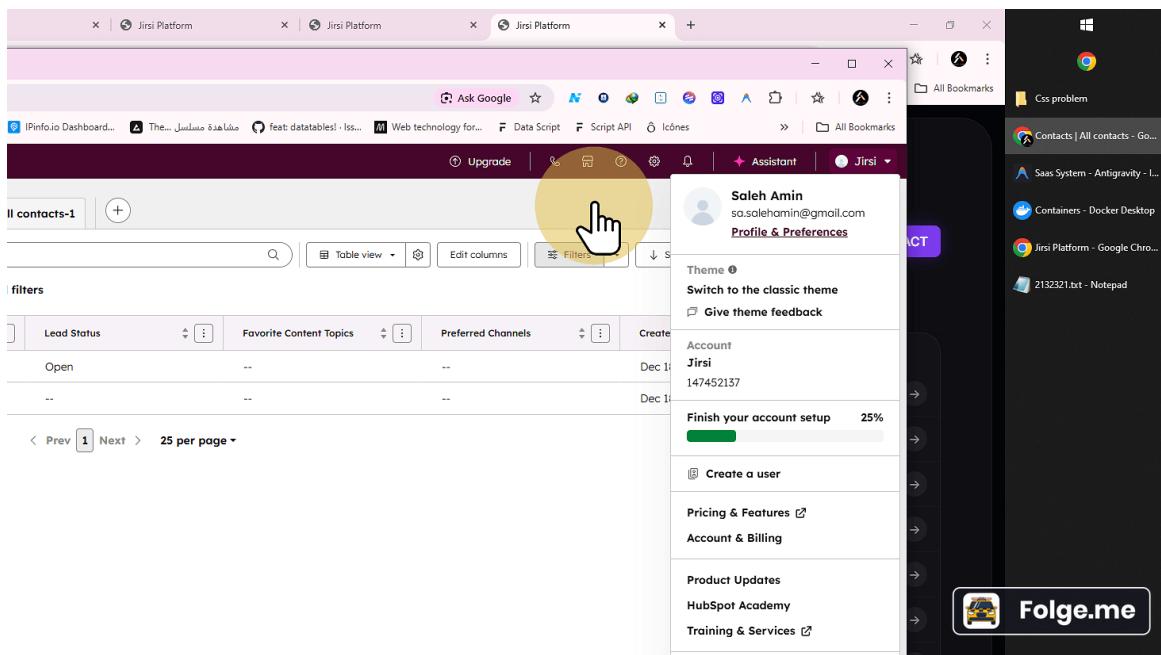

68 Click "group"

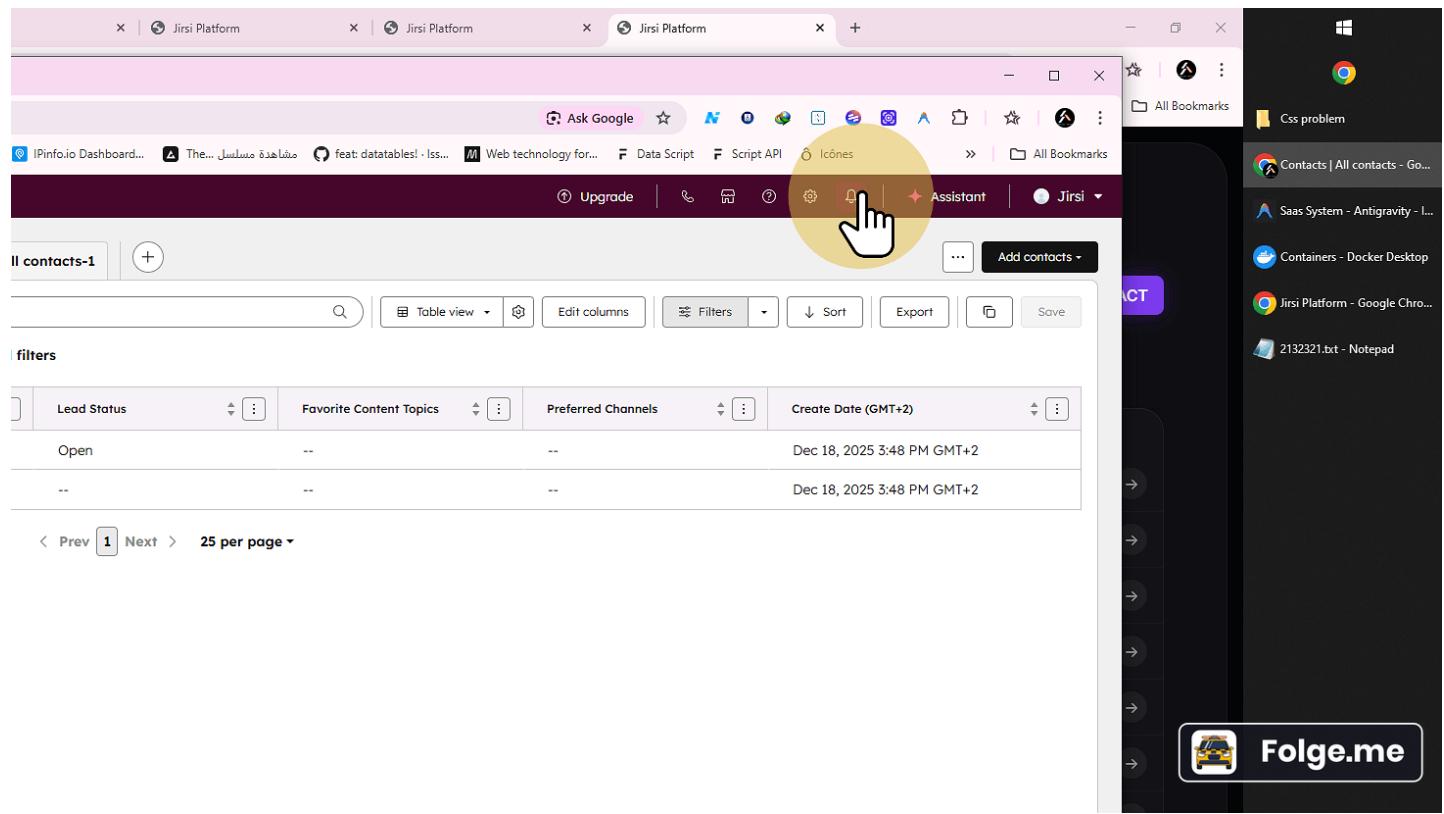

69 Click "View profile and more"

70 Click "group"

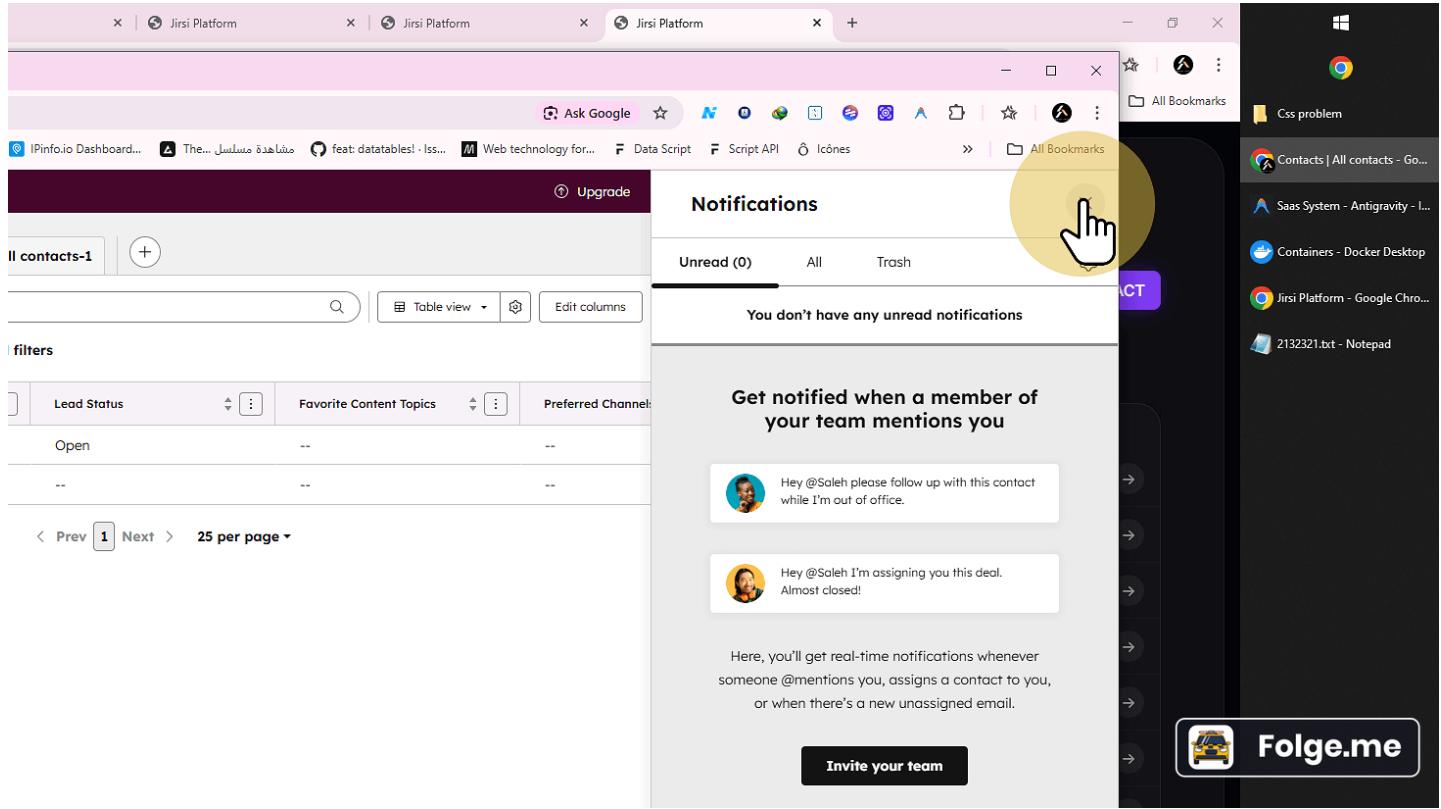

71 Click "Notifications"

72

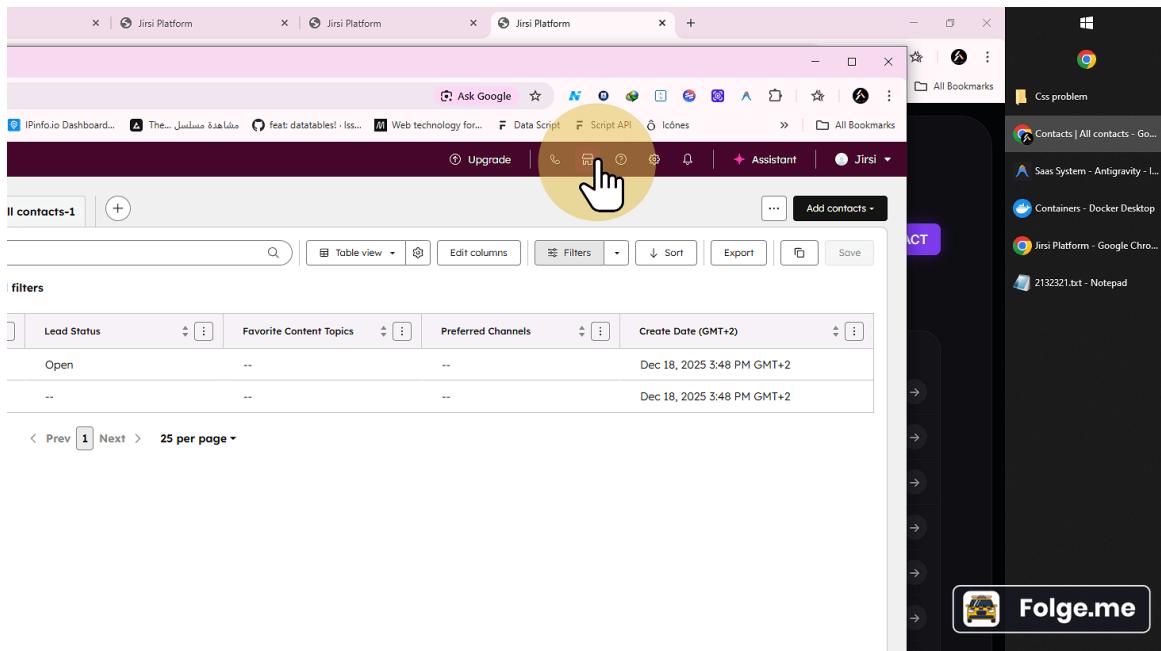

Click "https://app-eu1.hubspot.com/notifications/147452137/sidebar?hostAppName=crm-index-ui&completeHostUrl=https%253A%252F%252Fapp-eu1.hubspot.com%252Fcontacts%252F147452137%252Fobjects%252F0-1%252Fv"

The screenshot shows a web browser window with three tabs, all titled 'Jiri Platform'. The main content area displays a CRM interface for managing contacts. On the left, there's a list of contacts with columns for Lead Status, Favorite Content Topics, and Preferred Channel. The status 'Open' is selected. At the bottom, there are navigation buttons for 'Prev' (with page number 1), 'Next', and '25 per page'. On the right, a sidebar is open under the 'Notifications' tab. It shows a message: 'You don't have any unread notifications'. Below this, there's a section titled 'Get notified when a member of your team mentions you' with two examples of notifications from users (@Soleh) asking for follow-up. Further down, there's a descriptive text about real-time notifications and a 'INVITE YOUR TEAM' button. The sidebar also includes a 'CSS problem' link and a 'Folge.me' logo.
